Dear Sir:

Receipt is acknowledged of your letter of February 13, 1935, with regard to the telephone call from Mr. Tamm of the Division on February 12th, concerning information to the effect that MARCY LASTER and his wife were expected to visit at 601 - 9th Street South either Kansas City or Minneapolis.

Investigation conducted in Minneapolis reflects that 601 - 9th Street South is the residence of Alice Conrad, a known contact of the SAWYERS. This place has been covered since the receipt of the telephone call from Mr. Tamm and the address in Minneapolis is undoubtedly that address referred to previously.

Very truly yours,

D. H. LADD,
Special Agent in Charge.

Receipt is acknowledged of copy of letter addressed by the Division on February 8, 1935 to Mr. E. J. Connelley referring to letter written by this office to Mr. Connelley concerning the presence of one John Borgia in El Paso.

In order to make the matter clear, I will state that the identity of Borgia was established at El Paso only through the fact that when he drove his car into the Lone Star Motor Co. for repairs the service manager asked him for his papers on the car and the person in charge of the car immediately produced what proved to be a registration certificate for the automobile in the name of John Borgia, Chicago, Ill., and which bore the same Illinois license and description as did the car. Of course it is possible that the person actually driving the car might not have been Borgia, but it will be observed in my letter to Mr. Connelley that I furnished a description of the person passing as Borgia and with this it ought to be possible to ascertain whether it was actually Borgia who was in El Paso.

Mr. Harvey telephoned from the Philadelphia Office stating that the arrangements are completed for the parents of Alvin Karpis to take Dolores Delaney's baby back to Chicago with them; that they are leaving this afternoon at 5:15 P.M., on the B. and O., arriving in Chicago at 1:50 o'clock tomorrow. He stated that the B. and O. officials have agreed to have one of their officials casually get on the train at the stop to see that everything is all right. He stated that he was going to advise Mr. Connelley of these completed arrangements.

With reference to Dolores Delaney and Wynona Burdette, Mr. Harvey advised that the waivers of removal have been signed, the removal order has been signed by the Federal Judge. Mr. Harvey stated that everything is in readiness to leave and the United States Marshal is willing to proceed at once if necessary. I told him that I would confer with you about having our men accompany the party on the trip.

Time - 2:35 P.M.

I telephoned Mr. Harvey and informed him that it was your orders that we were to have nothing to do with these removal proceedings; that, however, we should take the precaution of informing the Marshal that these women are the associates of dangerous criminals, and that more than usual precautions should be taken to guard their safety.

While talking to Mr. Harvey yesterday he stated that he needed additional men at least temporarily to carry on the extra investigative work arising in his district as a result of the Bremer case. Subsequently I discussed the various assignments with Mr. Harvey and he agreed that additional men were not necessary.

He stated that his office is equipped with only two Thompson submachine guns and that in emergency situations this number is inadequate, particularly when the guns are sent out upon some assignment. He stated that he would in the usual channels write the Division requesting additional firearms.

Respectfully,

Dear Sir:

This office has received a statement from Joe Jacobson, 710 Richards Road, Kansas City Airport, in the amount of \$125.00, for a charter airplane trip from Kansas City to Yorkville, Illinois, on February 6, 1935. This trip was arranged for the purpose of transporting Volney Davis to Chicago, Illinois, and at the time of the arrangement it was agreed that \$125.00 would be paid for a round trip to Chicago and return. In view of the outcome of the trip, which resulted in a forced landing at Yorkville and the return of the Agents of this office by train, I would be pleased to have the advice of the Bureau as to any desired settlement with Mr. Jacobson. I will await such advice before communicating with him.

Very truly yours,

R. B. NATHAN

Dear Sir:

RE: ALVIN KARPIS with aliases - FUGITIVE -

KIDNAPING; etc.

Reference is made to your letter of February 13, 1935, addressed to the Special Agent in Charge, Birmingham, Alabama, copy of which was furnished the Jacksonville Office, requesting that necessary steps be taken to secure the original photographic negatives of the photographs submitted to the Bureau by Special Agent in Charge J. H. Hanson from Miami, Florida, on January 23, 1935, from the Miami Police Department. These photographs were of a latent fingerprint developed on a bottle found at the house occupied by Karpis in Miami, which has been identified as the fingerprint of Wynona Burdette.

Enclosed is the negative of the photograph under review. Special Agent L. B. Nichols obtained this negative from Assistant Identification Police Officer W. J. Gaines, Miami, Florida. He refused to give Agent Nichols the bottle from which the print was lifted assigning as his reason that he did not desire to part with custody of the bottle, but that he would give the print to the Division with the request that he be furnished with a picture of it or have the negative returned. He further stated that he would preserve the bottle until after the trial of Wynona Burdette and Dolores Delaney.

The United States Attorney at Miami, Florida, has requested that the prints above referred to be prepared for exhibition purposes to be used when the case comes to trial at Miami.

Very truly yours,

KIDNAPING.

Reference is made to your telegram of February 24, 1935, advising that when Mrs. Homer Wilson was interviewed last December she informed that her husband frequently visited the saloon operated by Willie Heeney at Miami, Florida, during the winter of 1932; that Heeney, according to Bolton, is an important contact of this gang.

Please be advised that Special Agent L. B. Nichols in Miami, Florida, ascertained that on December 15, 1931, Mrs. Willie Heeney, accompanied by Mrs. Homer Wilson, rented an apartment in Miami, Mrs. Heeney paying the rent in cash. The rent was paid up until May 1, 1932; however, on March 28, 1932, the Heeneys left the city hurriedly. At the time Mrs. Wilson and Mrs. Heeney were in Miami they claimed that their husbands worked nights. Investigation in Miami has failed to develop any information as to the present location of Willie Heeney. There is no indication that he is in Miami at the present time. All confidential informants and others have been checked with reference to Heeney, with negative results.

RE: KILLING OF FRED AND KATE BARKER
AT OKLAHOMA, FLORIDA WHILE 1935
SISTING ARREST.

FEB 19 1935

Subsequent to the raids conducted at Chicago, Illinois on January 8, 1935, which resulted in the death of Russell Gibson, who resisted arrest with fire arms and the apprehension of Arthur R. Barker and Byron Bolton, alias Monte Carter, information was obtained concerning the hide-out used by members of the Barker-Karpis gang in Florida. Bolton, who was found residing with Gibson at 3912 Pine Grove Avenue, Chicago, Illinois, furnished information that he visited the place as recently as December 18, 1934, but could not furnish specific directions as to how to reach the place. There were found in the apartment occupied by Arthur R. Barker, 432 Surf Street, Chicago, Illinois, two maps of Florida, on one of which Ocala, Florida was marked and on the other map Lake Weir was surrounded by a penciled ring. These maps were exhibited to Bolton, who advised that it appeared that the markings indicated where the hide-out could be found. He further advised that the place is reached by way of highway No. 41 and that the lake on which the hide-out is located is famous among local residents because its waters are inhabited by an alligator known as "Big Joe". He also advised that members of the gang had endeavored to catch this alligator, but without success; that members of the gang had participated in deer hunting and had recently killed three deer; that when Gibson and Arthur R. Barker returned to Chicago, Illinois shortly before the raids of January 8, 1935, they brought with them portions of the deer carcasses. The foregoing information was obtained from Bolton on January 11, 1935.

On the following day, Special Agent in Charge E. J. Connelley, accompanied by Special Agents R. D. Brown, G. C. Campbell and R. L. Jones proceeded to Jacksonville, Florida by plane, followed on the train by a squad consisting of Special Agents W. J. Wolfe, T. M. McDade, S. K. McKee, T. M. McLaughlin, J. L. Madala, W. C. Ryan, D. F. Sullivan, Thomas G. Melvin, J. C. White, A. A. Mizsey and C. B. Winstead. On January 13, 14 and 15, the Agents conducted under cover investigations in the vicinity of Ocala, Florida, for the various circumstances referred to by Bolton. On January 15, 1935, the house of Carson Bradford was located and from inquiries conducted, it was ascertained that Fred Barker and his mother, Kate Barker, using the name T. C. Blackburn, occupied this place. The

NEW

photograph of Harry Campbell was identified as an occupant of the place known under the name of George F. Summers. Other persons had occupied this house, together with the Barkers, but could not be identified as resembling the photographs of other members of the Barker-Karpis gang.

Special Agent in Charge Connelley, together with Agent Brown, observed the place discreetly and noted Fred Barker and his mother on the place and thereafter made arrangements to immediately withdraw the other Agents who were conducting investigations in the vicinity of Ocala, Florida, where plans were formulated to raid the place on the following morning, hoping that in the meantime, Campbell and any of the other associates would return to the house. A rough sketch of the property and vicinity was drawn and studied by the various Agents who were to take part in the raid and each Agent was designated to his respective post. In accordance with plans, a squad of Agents proceeded to Oklawaha, Florida, arriving there at 5:30 A.M., and took up their respective positions to prevent the escape of any one from the house. The Agents waited until daybreak, approximately 7:00 A.M., in order to insure innocent travelers from being hurt, should any shooting become necessary. Agent T. M. McLaughlin was stationed a considerable distance west of the property on which the house was located on highway No. 41, to divert automobiles from this road, should any shooting start. Agent Malvin was likewise stationed to the east of the property on highway No. 41, for the same purpose. Agents Winstead, Wolfe, Campbell and Sullivan were stationed along highway No. 41 at the north edge of the property, in order to cover the exit of any of the occupants of the house to the north or east. Agents Brown and McKee were located to the east of the property beyond the cover of a house occupied by Mr. and Mrs. A. T. Westberry, to cover the exit of any one through the lane which runs from the Bradford house to highway No. 41. Agents White, Jones, Mussey, Madala, McDade and Special Agent in Charge Connelley were stationed to the southwest corner of the property, where there was located a house occupied by the colored care taker of the property, Willie Woodbury. This house was approximately thirty yards from the Bradford house. As soon as it was light enough to observe any one leaving the house occupied by the Barkers, Special Agent in Charge Connelley called to the occupants, advising them that the house was surrounded by Agents of the Division of Investigation, U. S. Department of Justice and that they were to leave the house one at a time and provided they did so in this manner, would not be injured, otherwise, if they did not immediately leave the house, it would be necessary to gas the place and drive them out. The Agents waited for a period of approximately fifteen minutes and no answer was received from the occupants, although it was noted that some one was moving about within. After about twenty minutes had elapsed, a tear gas shell was shot at the house and at this time a woman, who later proved to be Kate Barker, screamed. For a few minutes everything was quiet. During the interval above described, the other Agents surrounding the house called to the occupants to surrender, however, no response was obtained. Special Agent in Charge Connelley again called to the Barkers, addressing them by name, and commanded them to come out of the house and Kate Barker called out in a rather distinct tone of voice "All right - go ahead". When she

163

Made this remark, it was interpreted to mean that the occupants were planning to come out, at which time Mr. Connelley instructed that Freddie Barker should come first. Immediately thereafter, some one in the second floor front bedroom on the southeast corner of the house fired twenty-five to thirty machine gun bullets at Special Agent in Charge Connelley, who was standing approximately thirty yards from the house. After this, some one, apparently Fred Barker, fired a rifle from the front lower floor of the house through the front door toward Agents stationed at the southwest corner of the property. As soon as the firing started from within the house, Special Agent White, who was covering Mr. Connelley, immediately shot into the house with a .351 rifle. Mr. Connelley fell back and fired into the house with a 30.06 rifle and at this time, the occupants of the house were concentrating their fire on the tree beyond which Agent White was located. Machine gun fire from the house was spread over the side yard and through a little grove in which were located Agents Jones and Mussey, who had also commenced firing into the house. Agents Madala and McDade, who were also located on the west side of the house, fired into the house. The machine gun fire from the house was spread in such a manner as to cover an area of a distance of about three hundred yards to the west of the house, extending approximately to the place where Agent McLaughlin was located in the highway to divert traffic. While the firing was concentrated on Agent White, Special Agent in Charge Connelley moved into a position in front of the care taker's house at the southwest corner of the property and fired several shots through the front of the house, which were answered by a number of machine gun bursts in the direction of Mr. Connelley. The firing continued from the house at intervals in all directions and subsequent observation of the screens disclosed that they had fired from all windows on the second floor in all four directions, apparently endeavoring to locate some of the Agents. The firing continued for approximately two hours.

As the firing continued, it became evident that the parties in the house were endeavoring to conserve their ammunition, as they lengthened the period between their fire and reduced the number of shots in the machine gun bursts coming from the house. Apparently while firing out of the east side of the house, Barker shot about four bullets from a .38 caliber Winchester rifle through the house of Mrs. A. T. Westberry. During the early stages of the firing, Agents Mussey and McDade, who were stationed on the west side of the house, endeavored to fire gas shells into the house and were successful in getting approximately four shells into the house. Due to screens and misfire, the shells were not placed in the upper southwest corner room, from which most of the firing was coming. During the latter stages of the firing, Agent White with a .351 rifle, Agent Jones with a 30.06 rifle, Agent Mussey with a shotgun and Agents Madala and McDade with machine guns and Agent Connelley with a 30.06 Springfield rifle, concentrated on the second floor bedroom in the southwest corner of the Bradford house. It is estimated that Agents fired approximately five hundred rounds of ammunition into the house and that Fred Barker and his mother fired about two hundred and fifty rounds. During the firing, the Agents stationed on highway No. 41 and to the east of

124

the property also shot into the house from the north and east side in answer to shots coming from the house.

After the firing had ceased from within the house, a reasonable period of time was allowed to elapse and after checking all of the Agents who were taking part in the raid, to establish that no one had been hurt, Willie Woodbury, the colored care taker of the property who had been engaged by the Barkers at \$5.00 per week, was instructed to call to the Barkers and invite them out of the house if they were injured, in order that they might be taken care of and at the same time, assure them that they would not be harmed should they come out in the proper manner. Woodbury agreed to go into the house for the purpose of ascertaining whether the Barkers were still alive. He tried both the front and rear doors and found them locked. Woodbury was instructed to force his way into the house and not finding any one downstairs, he went to the second floor and called out the second floor bedroom at the northeast corner of the house and advised that he could find no one in the house. He thereafter entered the southwest corner bedroom and called from the front window to advise that Fred Barker and his mother, Kate Barker, were both dead.

Upon entering the house, it was found that Fred Barker had moved a cot to the first floor of the house and placed it in the front room near the front door and was sleeping there, apparently to intercept any one who might approach the house. This is the point from which he first fired the .38 caliber Winchester rifle. On the second floor, there were four bedrooms and from the bullet holes in the screens, it appeared that they had fired in all four directions from all four rooms. Kate Barker and Fred Barker were found in the southwest corner bedroom. Fred Barker was lying in the middle of the room, face down, a .45 automatic pistol under him and a machine gun with a 50 shot drum beyond his left hand. Kate Barker was found in the northeast corner of this same room, lying on her back, with a machine gun at her left hand, which gun was equipped with a 100 shot drum. There was also found a 50 shot drum in the southeast corner bedroom of Kate Barker, which had evidently been completely fired. A 50 shot drum in the gun used by Fred Barker was entirely empty and the 100 shot drum on the gun found beside Kate Barker had fired approximately thirty or forty shots.

Due to the lapse of time between the first burst of machine gun fire from the house and the second burst, it is believed that Fred Barker probably reloaded the 50 shot gun at least once. In connection with the .45 automatic pistol found under his body, same was loaded with a clip containing seven bullets. One bullet, which was still in the jam, had been fired but a shot from a 30.06 rifle had cut away part of the steel butt of this pistol, causing it to jam on this one shot and rendering it useless. Fred Barker, judging from the position in which his body was found, was apparently facing the front of the house or the southwest window on the west side of the house and had wounds of ten bullets in his left shoulder and his chest and one wound through the back of his head, which was probably the fatal wound, from

125

either a .351 rifle or a 30.06 rifle. Kate Barker had three bullet wounds in the chest, one of which had apparently gone through the heart. All of the bullets had passed completely through the bodies.

After the firing ceased and the bodies had been located, same were left untouched until the necessary arrangements were consummated with the coroner. Shortly after the shooting, the sheriffs from the surrounding counties appeared on the scene and offered their cooperation, as well as did Wallace E. Sturgis, County Attorney, A. P. Buie, District Attorney, A. P. Meadows, Prosecuting Attorney and L. E. Futch, County Judge, who also acts as coroner. During the course of the shooting, Sheriff S. C. Thomas arrived on the scene and assisted in diverting traffic from highway No. 41.

On January 17, 1935, a coroner's hearing was conducted, at which time the coroner's jury held that Fred Barker and Kate Barker came to their death at the hands of Special Agents of the Division of Investigation, U. S. Department of Justice, in the protection of their own lives; while the decedents were resisting arrest.

The arsenal of Fred and Kate Barker, recovered after the shooting, consisted of:

Four bullet-proof vests

One Thompson Machine Gun - 1921 model - number illegible.

Two Thompson Machine Guns - 1921 models - numbers illegible; one gun equipped with a 50-shot drum and the other with a 100-shot drum.

Two .45 Caliber Colt Automatic Pistols, numbers C-160687 and C-161841.

Nine .45 Automatic Pistol Clips.

One .380 Caliber Automatic Colt Pistol - number illegible.

Five .380 Automatic Pistol Clips.

One Browning 12-Gauge Automatic Shotgun, number 22870.

One Remington 12-Gauge Pump Shotgun, number 272807.

One Winchester .38 Caliber Lever Action Rifle - number illegible.

There was also recovered one Buick Coupe belonging to Fred Barker and obtained by him under the alias of T. C. Blackburn at St. Charles, Illinois. There was also recovered \$14,512.00, four \$1,000 bills of which were recovered from a money belt of Fred Barker. Ten \$1,000.00 bills were recovered from the pocketbook of Kate Barker. The other money was found in the clothes of the deceased. None of this money could be identified as part of the Bremer ranch money.

The fingerprints of Fred and Kate Barker were taken and forwarded to the Division. The prints of Fred Barker, although badly mutilated in an apparent effort to prevent identification, were positively identified as the prints of Fred Barker, who was being sought for the kidnaping of Edward G. Bremer. Kate Barker had no previous criminal record.

A set of twenty-four photographs taken of the exterior and interior of the Bradford house, showing the results of the gunfire, has been furnished to the Division. The house was a two-story, frame, structure which fronted on Lake Wadr.

MEMORANDUM FOR THE DIRECTOR
Re: RUSSELL GIBSON, killed while
resisting arrest; ARTHUR R. BARKER,
et al, taken into custody.

Through confidential sources at Toledo, Ohio, it was ascertained that one Mildred Kuhlman, a prostitute, had left Toledo, Ohio with Arthur R. Barker and that she was located in the Morrison Hotel, Chicago, Illinois.

FILE [18 1935] FILE

FILE

Investigation at the Morrison Hotel resulted in ascertaining that Mildred Kuhlman was a guest at this hotel and during her stay communicated by telephone with persons residing at 641 Oakdale and 439 Arlington Place, Chicago, Illinois. On December 15, 1934 Mildred Kuhlman gave up her room at the Morrison Hotel. By covering the Oakdale and Arlington Place addresses the Kuhlman woman was traced and found to be residing at 432 Surf Street, Chicago, Illinois. A surveillance of this address disclosed that Mildred Kuhlman frequented an apartment located at 3912 Pinegrove Avenue. This address was also placed under surveillance and it was learned that the men who had been associating with Mildred Kuhlman and her women companions were out of the city. Both apartments were kept under continuous surveillance until the return of these men around the first of January, 1935. One of the men who was observed entering the apartment at 3912 Pinegrove Avenue was partially identified as Russell Gibson and it was discovered that he had been contacting the party at 432 Surf Street, who was later identified as Arthur R. Barker. While it had been noted that apparently one or two men had been entering both of these addresses, no definite conclusive identification had been made of any of the subjects from the pictures available and, on the morning of January 8, 1935, Special Agent in Charge E. J. Connelley and Special Agent R. D. Brown observed the individual who was residing at 3912 Pinegrove Avenue and reached the conclusion that he was Russell C. Gibson, subject of Identification Order No. 1213. Previous reports submitted have, in some instances, referred to the address "2920" Pinegrove Avenue, which is the same address as 3912 Pinegrove Avenue.

After observing both addresses, 3912 Pinegrove Avenue and 432 Surf Street, Chicago, Illinois, Special Agent in Charge Connelley made immediate arrangements to reinforce the squads which were watching both addresses in order that in an emergency a sufficient number of men would be available to take either place, and also in order to observe when all of the subjects in question had assembled in either or both of the two addresses.

Thereafter arrangements were made for the assistance of additional agents to conduct a raid when it became evident that both places were fully occupied. The Agents were given detailed instructions as to their respective assignments and as to the identity of the persons who were to be taken into custody. At the 5912 Pinegrove Avenue address seventeen Special Agents were assembled, including the Special Agent in Charge. At the 432 Surf Street address nine Agents were assembled to await developments at the former address and at the same time be prepared to take any emergency action that might be necessary. The plan of operation was to first take the occupants of the apartment on Pinegrove Avenue, inasmuch as it was expected that there would be two or more men at this address, and thereafter a raid would be conducted upon the Surf Street address, with the understanding, however, that should the occupants of this latter address attempt to leave they were to be taken into custody in order to prevent their escape or to prevent their warning the occupants of the apartment on Pinegrove Avenue. The squad at the Surf Street address was divided into two groups, one under the supervision of Special Agent R. L. Jones and one under Special Agent C. G. Campbell, these groups to command both the front and rear entrances to the building.

Around 6:30 P.M. on January 8, 1938, Mildred Kuhlman and a man who was later identified as Arthur R. Barker, were observed leaving the apartment at 432 Surf Street, at which time the squad of Agents at the front entrance deployed around them and closed in on Barker just as he was stepping to the curb to hail a taxicab. At the same instant he was commanded to surrender he fell down in the mud and raised his hands above his head. He was found to be without a gun on his person and was immediately taken to the Chicago Division Office, together with Mildred Kuhlman. Surveillance was continued on the apartment in the expectation that other associates of the gang would probably put in an appearance, inasmuch as the taking of Barker into custody was effected without any excitement or publicity.

The raid planned on the apartment located at 5912 Pinegrove Avenue was deferred, inasmuch as the apartment had been vacated by the occupants earlier in the evening. A surveillance was continued until approximately 10:45 P.M., when subject Gibson, accompanied by his wife, Clara Gibson, and another woman, later identified as Ruth Holt, ex-wife of Willie Harrison, were seen to enter the apart-

ment from the front. A man, later identified as Byron Bolton alias Monte Carter, was observed entering the rear of the apartment from the alley. Thereupon Special Agents A. P. Barber and J. C. White were stationed at the foot of the steps at the rear of the apartment where it was expected that Gibson would emerge in the event he refused to leave by the front entrance. These Agents were covered by other Agents at the rear of the apartment.

Special Agent in Charge Connelley, together with Special Agents R. L. Brown, S. L. McLee and E. R. McIntire entered the front of the building at about 11:15 P.M. after all other Agents on the outside had been properly stationed at their respective positions. Agent in Charge Connelley went to the speaking tube for Apartment No. 1, North and made inquiry of a woman who answered for Mr. J. B. Bolton, the name given when the apartment was rented. The woman stated that Mr. Bolton was not in and would not be in until the end of the week. Mr. Connelley then informed this woman that he was a Government officer from the United States Department of Justice and that the building was completely surrounded. He instructed that all occupants of the apartment come down the front stairs, one at a time, with their hands above their heads. Special Agents McLee and Brown were stationed at the foot of the stairs equipped with Thompson sub-machine guns. Agent in Charge Connelley and Agent McIntire were equipped with their service .38 super-automatic pistols. After the first order to the occupants of the apartment to come down there was a delay of several minutes, but no action on the part of the occupants. Mr. Connelley again called through the speaking tube and demanded that all persons leave the apartment immediately or it would be gassed. Again the Agents waited for approximately three minutes and Mr. Connelley, for the third time, demanded through the speaking tube that the occupants immediately leave the apartment. He also warned the persons in the apartment that no escape should be attempted through the rear as the building was completely surrounded and any one attempting to escape would be killed.

After this third command to the occupants of the apartment the two women, Clara Gibson and Ruth Heidt, came down the stairs and were commanded to lie on the floor in order that no attempt could be made by them to grab the guns of the Agents in order to effect an escape on the part of the two men still remaining in the apartment. The women were searched for concealed weapons but none were found. Immediately after the women had laid down, Byron Bolton emerged from the apartment with his hands in the air. He was likewise commanded to lie on the floor with his hands above his head. He was searched

135

for weapons but none were found. Mrs. Gibson admitted her identity and when asked if any other individuals were in the apartment she stated that her husband was still in the apartment. In the belief that Russell Gibson and others might yet be in the apartment, Mrs. Gibson was instructed to persuade her husband, through the speaking tube, to surrender, but she received no response. At that moment several shots were heard in the rear of the building, at which time Mrs. Gibson screamed "Oh, they have got my husband".

Immediately upon hearing the shots fired the Agents in the front of the building, in accordance with previously issued instructions, fired gas shells through the front windows of the apartment occupied by the Gibsons in order that any individual still there or any individual returning there from the rear of the building would be rendered unable to continue active and dangerous resistance.

The shooting which was heard occurred when Russell Gibson emerged from the back entrance of the building, in his shirt sleeves, without a hat, and wearing a bullet-proof vest, and carrying and firing a Browning Automatic 30.06 caliber Rifle, which fire was directed at Agents White and Barber. Thereafter, in the return fire, Russell Gibson was wounded after he had apparently fired four shots from the Browning automatic rifle. He threw off his bullet-proof vest after having been wounded and dropped a .32 caliber Colt automatic pistol, fully loaded.

Immediately upon the occurrence of this shooting, arrangements were made with the Janitor, Paul Lenco, to reassure all of the occupants of the other apartments that no one would be harmed and he was also instructed to call the police if they were not already on their way and advise them as to what was taking place, and further than when the police officers arrived they should be immediately brought to Special Agent in Charge Connelley. Shortly thereafter the police arrived and offered their cooperation in following up the necessary work in connection with determining definitely that no one else remained in the apartment.

Thereafter the two women and Bolton were taken to the Chicago Division Office and Russell Gibson was taken to the American Hospital where he died at 1:40 A.M., January 9, 1935.

The apartment was entered and there were recovered the following guns:

1 Browning 30.06 automatic rifle, dismounted, with parts detached.
1 Sawed-off shotgun, double barrel, 20 gauge, No. 109198,
with shoulder holster.

Campbell, whom he identified from a photograph of that individual, was a driver of one of these buses; that the bus operator, Walsh, had several daughters, one of whom was a school teacher by the name of Irene who was at that time employed in the Casper High School and that she and Subject Campbell were very close friends; that the Walsh family is absolutely reliable and if approached, would, without hesitation, give any information in their possession. Oscar Felt further advised Special Agent Meekins that he was departing from Detroit on April 21, 1934 by automobile for Evansville, Wyoming where he intended to again run for Mayor and make that city his permanent residence; that he had not seen Subject Campbell since a short time before he left Evansville, Wyoming, which was something like eighteen months prior to the interview with him by Special Agent Meekins, according to Felt's statement.

Immediately upon receipt of the telephonic communication from Special Agent in Charge Newman, referred to above, Special Agent R. B. Donaldson of the Detroit Office conducted the following investigation:

"Upon consulting the current issue of the city directory, it was found that the name Oscar Felt did not appear therein. The name of Charles A. Felt and wife, Tina, were shown to be occupants at this address. On going to this neighborhood it was observed that this is a small house of not more than four rooms and sits at the rear of the lot being against the alley at the rear. The adjoining houses are also similar in appearance and location. Immediate neighbors have foreign names and are listed as machine shop tradesmen. At the rear of the house in question, and in the alley stands an old blue Essex coach with 1934 Michigan license U-14131. This car undoubtedly has not been used for weeks past as it appeared to be frozen to the ground. Agent observed no one about the premises nor were any suspicious cars, or cars with foreign license plates, parked in this general vicinity.

"After making some inquiry and inspection regarding neighbors, Agent openly approached Mr. and Mrs. Ronald C. Storms, who live directly across the street at 15535 Stoepel. He is a night foreman at the Railway Express Agency garage, which position he has held for a number of years and his character and reputation were vouched for by O. C. Wheeler, a special agent for the Railway Express Agency and well known to the writer. Mr. Storms was not possessed of much information concerning the Felt family except that they were a rather old couple and he appeared to be in failing health; also that they had resided across the street for several years. Mrs. Storms stated that she had made several visits to the Felt residence in the past year and observed the old couple almost daily. As far as she knows and can observe, these people live alone and she has heard them speak

of a married daughter in Seattle, Washington and also a son somewhere in Wyoming and once about a year ago she observed they had some company who drove an automobile with a Wyoming license on it. Mrs. Stoms agreed to carefully observe the Felt home for the next week or so and to report to the Detroit office anything which may be of interest. She also agreed to make a short visit across the street in furtherance of her observations and to learn anything that might be helpful. Mrs. Stoms says she never heard of Oscar Felt and is almost sure he does not live with the Charles A. Felt family."

Upon receipt of reference report the writer conducted investigation at 9362 Carlin Avenue, where it was ascertained that Joseph Felt resides and that he is the father of L. J. Felt, who works at the Ternstedt Manufacturing Company, which is a Division of the General Motors, corner of Federal and McGregor Streets. Upon interview Mr. Joseph Felt stated he has never seen anyone who resembles Harry Campbell; that he does not know him and never heard of him.

Mr. L. J. Felt, son of Joseph Felt, 28 years of age, stated that he does not know Harry Campbell, never saw him and heard of him only through Oscar Felt, his, L. J. Felt's, cousin, as Oscar Felt formerly lived with his father, C. A. Felt at 16534 Stoepel Avenue; that about a year ago an Agent of the Department of Justice interviewed him, L. J. Felt, with reference to Harry Campbell and at that time he, L. J. Felt, assumed that the agent was attempting to locate Oscar Felt and directed him to the residence of Oscar Felt; that later Oscar Felt had advised him Agent desired to secure information relative to one Harry Campbell whom he, Oscar Felt, had met about eighteen months prior thereto, in Wyoming, but that he, Oscar Felt, did not know the whereabouts of Harry Campbell and had not seen him since he, Oscar Felt, left Wyoming. Continuing L. J. Felt stated that he is certain that Oscar Felt now lives at Evansville, Wyoming and is Mayor at that place.

UNDEVELOPED LEADS: The DENVER OFFICE at CASPER, WYOMING is requested to conduct appropriate investigation in an effort to locate Irene Walsh (or Welch) who is teaching or formerly taught in the Casper, Wyoming High School for any information she may possess as to the present whereabouts of Harry Campbell.

Also, at EVANSVILLE, WYOMING is requested to conduct appropriate investigation looking toward the location of Oscar Felt with a view to ascertaining any information he may now possess as to the whereabouts of Harry Campbell.

Dear Sir:

Attached hereto you will find a memorandum by Special Agent R. T. Noonan recording a conversation had with him by Mr. John DeCourcy, a local attorney, who is representing ARTHUR R. BARKER, with aliases. The facts related by Mr. DeCourcy regarding Mr. Bremer's trips to the restaurant are true. The restaurant is one of the best restaurants in the city and is located approximately two and one-half blocks from the Commercial State Bank and is the nearest restaurant to the bank.

Owing to the highly nervous state of Mr. Bremer since his release last February, I have not considered discussing this matter with him. Mr. DeCourcy, I believe, is entirely unreliable and it is very much doubted by the writer that he would furnish any information of value if he possessed same. Having known Mr. DeCourcy for several years, my impression is that he would welcome a re-occurrence of the kidnaping since Mr. Bremer will necessarily be a material witness in the trial. It is also quite possible that DeCourcy furnished the foregoing information with a view to distracting attention from the present case, intrenching with the Government in an attempt to frighten Mr. Bremer to the point where he would not be as effective as a witness.

Any suggestions to Mr. Bremer from this office as to his personal contacts would undoubtedly alarm him, however, for the information of the Division, I am reliably informed that Mr. Bremer does not have a body guard, but that he expects to depart from St. Paul on or about February 11, 1935 for a six weeks' Caribbean Cruise.

In view of the above, no action will be taken on the information supplied by Mr. DeCourcy unless the Division directs otherwise. As to the information by Mr. DeCourcy to the effect that there is a mob in St. Paul at the present time, this office, of course, has no information substantiating that.

DIVISION OF INVESTIGATION
U. S. DEPARTMENT OF JUSTICE

MEMO FOR SAC - St. Paul Division Office.

REF St. Paul File #7-30.

While on duty at the Ramsey County Jail the afternoon of February 6, 1935, during the time that ARTHUR "DOC" BARKER was being interviewed by his attorneys, John DeCourcy and Archie Cary, DeCourcy called me aside and stated substantially as follows: "Listen, I want to tell you something you fellows should know. Your office should have this, but don't ask me where I got it and don't mention where you got it from, because if they thought I was passing this information around my life wouldn't be worth a cent, I don't go in for this murdering stuff. Bremer eats his lunch daily at Alverdes Restaurant and he goes there alone unguarded and he shouldn't do that." I asked DeCourcy if he had anything definite and he said "Well, I got this: Bremer is in for a take out."

That was all that DeCourcy stated concerning his alleged information and he then walked back and entered into the interview with Barker. During the conversation with DeCourcy we were in plain view of Barker and Cary, but not within hearing. DeCourcy on two or three other occasions left the interview and walked over and talked to me, and the Jailer, LaPlant, and the guard, Gibbons, but only talked about various outside matters. It is my opinion that DeCourcy had had a few drinks at the time but was less under the influence of liquor than on either of the other two occasions during the past week when I have accompanied him to see Barker.

Very truly yours,

R. T. NOONAN;
Sp.Agent.

February 15, 1935
Wyandotte County Jail
Kansas City, Kansas.

I, Jess Doyle, alias E. A. Conoley, alias E. W. Conoley,
alias J. C. Stacey, make the following signed statement to John L. Medina,
whom I know to be a Special Agent of the Federal Bureau of Investigation,
U. S. Department of Justice, of my own free will, without any promises or
threats having been made to me and being warned that whatever I say may be
used against me at any time.

I was born in Gilberton, Georgia in 1900 and was never married.
The last time I saw my parents was in 1926 and I do not know whether they
are living at the present time.

I met Fred and Doc Barker along in 1915 or 1916 in Tulsa,
Oklahoma. We were just kids then. In 1920 I was arrested for car robbery
in Tulsa, Oklahoma and was sentenced to the Oklahoma State Penitentiary at
McElroy for 13 years and 4 months. I was released from that institution
on July 29, 1926 and later met Fred Barker and his brother Herman in South
Coffeyville, Kansas, at which time they told me that they were operating a
bath house near the Oklahoma-Arkansas state line, south of Claremore,
Oklahoma. I believe it was called the Radium Springs and consisted of a
large hotel and numerous small cabins.

I was arrested again in January 1927 at Parsons, Kansas for
burglary and was convicted on this charge, receiving a sentence of 5 to 10
years. While in the Kansas State Penitentiary I became acquainted with Alvin
Karpis and Lawrence "Lulu" Ross. Fred Barker had already been in the penitentiary
when I got there. I believe he was doing time for burglary. While in this
institution I did Fred Barker several favors and when he was released he
told me that he would watch newspapers to see when I would get out and then
would meet me in Kansas City, Missouri in front of the Majestic Hotel.

I was released from the Kansas State Penitentiary on June
17, 1932 and proceeded direct to Kansas City, Missouri by street car. I
waited for Fred Barker around the Majestic Hotel all that day and he finally
showed up around 8 P.M. that evening. He took me to his apartment at the
Country Club Plaza where he was living with his mother and Alvin Karpis.
At this time he gave me \$400.00 or \$500.00 for clothes and living expenses.
During this period the Fort Scott, Kansas bank was robbed, and the following
is my knowledge of this robbery:

FORT SCOTT BANK ROBBERY.

This robbery occurred on the day I was released from the Kansas State Penitentiary, which was June 17, 1932, and to my knowledge the following men participated:

FRANCIS KEATING
THOMAS HOLDEN
HARVEY BAILEY
LARRY DUVAL
ALVIN KARPIS
FRED BARKER, and
BIG PHIL (Bernard Phillips).

On the night I arrived at Fred's apartment I observed all of the above named individuals there. On one instance Fred went out by himself and returned shortly thereafter with a large laundry bag. I subsequently saw all of the men with large quantities of money and I surmised that the sack I saw Fred previously bring into the apartment contained the loot in this robbery and that the split was made there. Mother Barker and I were not present in the apartment when the split apparently was made. We were sitting on the porch. I later learned from conversation with Fred Barker that the money he had brought in as above indicated was that of the Fort Scott bank robbery.

After the arrest of Francis Keating, Thomas Holden and Harvey Bailey in Kansas City, Missouri, on July 7, 1932, Alvin Karpis and Mother Barker left that night and proceeded to St. Paul, Minnesota. Fred Barker, Larry Duval and I went to a tourist camp which is located on the main highway just north of North Kansas City. He went there at Fred's suggestion as he later wanted to return to Kansas City to get some luggage which he had left behind in the apartment. However, he sent Larry Duval to the apartment for this luggage, and while he was gone Bernard Phillips, whom I knew as "Big Phil" came to the tourist camp. After Larry's return the four of us; that is, Fred, Larry, Phil and I, remained at this camp overnight, and on the following day Fred, Larry and I drove to St. Paul, Minnesota, and I believe Big Phil remained in Kansas City as his girl friend, Winnie, who was arrested along with Keating, Holden and Bailey, was in the Kansas City Jail at that time.

Upon arriving in St. Paul, Minnesota we met Alvin Karpis and Kate Barker in a car on a street near Harry Sawyer's place. Fred and his mother then rented an apartment on Grand Avenue in St. Paul, and Alvin Karpis and I went to live with them. I believe Larry DuVal lived by himself in an

-5-

apartment nearby. We remained at this apartment for about two months and then moved to the Twin Oaks or Three Oaks Apartments in St. Paul. Around this time Fred was successful in getting for his brother "Doe" a conditional pardon from the Oklahoma State Penitentiary, through an attorney by the name of Lester. I believe he is from McAlester, Oklahoma. Fred and Doe were subsequently instrumental in procuring a leave of absence for Velney Lewis, also from the Oklahoma State Penitentiary, and I believe that the negotiations were likewise made through Lester of McAlester.

After Doe was released he went to visit his father at Neosho, Missouri, and then came to St. Paul to live with us. Shortly after Velney got out of the penitentiary he likewise came to St. Paul and soon thereafter he accompanied Mother Barker on a visit to her sister in California. I believe they subsequently went to Reno, Nevada. At this time the Third Northwestern Bank of Minneapolis was robbed, and the following is my knowledge of same.

THE THIRD NORTHWESTERN BANK OF MINNEAPOLIS ROBBERY.

This robbery occurred on December 16, 1932 and the following men took part:

FRED BARKER
DOC BARKER
LARRY FUVAL
BILL KRAVER alias Bill Scott
ALVIN KARPIS
VERN MILLER
JESSE POLK

Fred Barker, Doc Barker, Alvin Karpis and I were living at either the Twin Oaks or Three Oaks Apartments in St. Paul at that time. We had a meeting place in a garage in Minneapolis shortly before the robbery, and I drove the above mentioned men to the bank in a Lincoln Sedan. I was wearing a chauffeur's cap at this time. All of the boys entered the bank and I drove the car a couple of hundred feet down the street. Shortly afterwards I observed Larry Fuval come out of the bank to act as a look-out. A few minutes later the others emerged from the bank and, simultaneously, a squad car pulled up in front of Larry. He fired at the police officers in this car with a machine gun and killed two of them. When I saw the boys come from the bank I drove the Lincoln car to where they were and they got in. Vern Miller got into the driver's seat, replacing my position, and drove away. As we were making our getaway the police fired at our car and punctured

two of our tires. Vera drove at a rapid rate of speed to a park in St. Paul where we abandoned the Lincoln car on account of the punctured tires. Fred instructed Alvin Karpis and I to get away, stating that he would meet us at the apartment. Alvin and I took a cab and as we were leaving I heard several shots fired a short distance away. Alvin and I proceeded direct to our apartment and sometime afterwards Fred and Doc arrived, and at this time he gave us our split. I believe the money was previously divided in Larry's apartment. I subsequently heard, through conversations with Fred and Doc, that when the boys were changing cars in St. Paul some person in an automobile drove past them and tried to see their license number and one of the boys shot him in the head. I do not know who "caused" this job nor do I recall the amount of my split. None of our boys were wounded. Larry DuVal was arrested in his apartment the following night while drunk and was charged with participation in this robbery. I believe he plead guilty and received a life sentence.

Harry Ball, who was living with Larry DuVal at that time, notified us the following morning of Larry's arrest, whereupon all of us, with the exception of Vera Miller, left St. Paul and drove to Reno, Nevada, at Fred's suggestion. Upon our arrival in Reno Fred connected with Earl Christensen, who, I believe, put them in touch with someone in Reno who took care of their "hot stuff". Volney Davis and Mother Barker were in Reno when we arrived. While in this city Harry Ball, who was living with me, stole about \$200.00 of mine and some clothes and then disappeared. I anticipated that he would go to Kansas City as he seemed well acquainted there. In view of this Doc and I took a plane for Kansas City to find him. When we left Reno I believe Volney Davis gave Doc a message for his girl friend Edna. While making inquiries at various places in Kansas City in an effort to find Harry Ball we met Earl Doyle, who was operating a beer joint or drug store in Kansas City. I wish to state that I had previously met Earl Doyle in South Coffeyville, Kansas, at which time he was operating a Night Club with one Tom Hill in South Coffeyville. I believe Doc Barker knew Earl in Tulsa, Oklahoma many years back. Earl Doyle took us to Edna's apartment in Kansas City and it was at this time that I first met Doris, who was using the name of either Connor or O'Connor. She and Edna are sisters. Doris and I began keeping company and when I left Kansas City at this time I told her I would be back soon.

Doc and I returned to Reno, Nevada by train and shortly thereafter Volney, Mother Barker and Doc took a trip to California, and soon after that Fred Parker and Alvin Karpis drove to California. However, all of them returned to Reno about a week later.

We left Reno around the first part of January 1933 and went direct to St. Paul, Minnesota where Fred, Doc and I rented an apartment on Grand Avenue. Earl Christian and his wife Helen (Helen Ferguson) also came to St. Paul at this time and I believe they had an automobile accident en route. They rented an apartment on Marshall Avenue near Cleveland Street. Velney Lewis, Doc Barker and his mother left Reno two days after we did. On or about the third day while in St. Paul at this time I came home alone from the show one evening. Gladys Sawyer, the wife of Harry Sawyer, was sitting in her car in front of the building. She stopped me and asked where Fred and Alvin were and when I told her that I did not know she stated I better look them up as the police were contemplating an raiding our apartment in the morning. I went downtown immediately to look for them for the purpose of informing them of the contemplated raid but could not find anyone. When I returned Gladys was still there and she told me that Fred and Alvin had been there but had already gone; that they would meet me at the "Joint", meaning Harry Sawyer's place, on Wabasha Street. When I got to Harry's place Fred and Alvin told me they had seen Velney, Doc and Mother and that they were on their way to Chicago, Illinois. The three of us left for Chicago that night in Fred's Chrysler Sedan. Enroute we met Earl and Helen and Fred got out of his car and talked with them for a few minutes. We then drove Doc to Louie Cernocky's place at Fox River Grove, Illinois, and when we arrived Velney, Doc and mother were already there. At this time I met Frank Nash and his wife Frances, both of whom were living at Louie's Place. Shortly thereafter Earl and Helen arrived. All of us stayed at Louie's Place that night and on the following day Fred, Doc, Alvin and the women went to look for an apartment.

A few days later Eddie and Bessie Green appeared at Louie's Place and I met them for the first time. They may have been acquainted with the other boys; however, I do not know. I lived at Louie's place for about a week when I went to look for an apartment in Maywood, Illinois, as at that time I was contemplating on bringing Doris up from Kansas City, Missouri to live with me. I found a furnished apartment on 5th Avenue about two blocks south of the Earl Hines Hospital, on Roosevelt Road.

On or about March 30, 1933 I drove Fred in my car to Kansas City, Missouri to meet the other boys, who had left for that city several days previous. At this time the First National Bank was robbed, and the following is my knowledge of the same.

FAIRBURY, NEBRASKA BANK ROBBERY.

This robbery occurred on April 3, 1933, and the following men participated:

150

FRED BARKER
DOC BARKER
WOLNEY DAVIS
ALVIN KARPIS
EDDIE GREEN
EARL CHRISTMAN
FRANK NASH
JESSE DOYLE.

At this time Fred Barker, Doc Barker and Earl Christman were living at the Home Apartments in Oak Park, Illinois with Mother Barker and Earl's wife, Helen. Velney Davis and I were living with Edna and Doris at my apartment in Maywood, Illinois. Frank Nash was living with his wife, Frances, at Louie's Place in Fox River Grove, Illinois. I believe Eddie Green was residing in Chicago and Alvin Karpis in Oak Park, Illinois.

The boys had gone to Kansas City two or three days before the robbery took place and rented a furnished apartment near 16th and Main Street in Kansas City. I believe Doc Barker and Velney Davis made the arrangements for this apartment. When Fred and I arrived in Kansas City we lived in this apartment until the day of the robbery. We drove to the bank in two cars, Fred was driving a Chevrolet Sedan and I was driving a Buick. Doc Barker, Velney Davis, Alvin Karpis, Eddie Green, Earl Christman and Frank Nash entered the bank and I parked my car on the street nearby. I believe Fred was parked in back of me in another car. Shortly after the boys entered the bank Earl Christman came out to act as a lookout. A few minutes later the boys emerged from the bank and as they were getting into our waiting cars Earl was wounded. I drove my car with Alvin Karpis reading the get-away chart, to a point 15 miles away, where we switched automobiles. I believe Alvin Karpis then went with the other fellows and Doc and Velney returned to Kansas City with me. We proceeded direct to our apartment, abandoning the car a couple of squares from the building. That night Fred came to the apartment and told Doc and I to return to Chicago, stating he would take care of the car we had abandoned. Doc and I immediately took a train to St. Paul, Minnesota as Doc wanted to see Harry Sawyer. He remained in Harry's place only a few hours, after which a fellow named Tom, who works for Harry Sawyer, drove us to Louie's Place in Fox River Grove, Illinois. Fred Barker, Alvin Karpis and Frank Nash were already there when we arrived. It was at this time that Fred told me Earl had been "hit". Fred also gave me my split at this time. I do not know where the money was divided. Velney had not shown up as yet and it is entirely possible that he remained in Kansas City to take care of Earl. In the next afternoon

15

Fred and Doe left Oak Park, Illinois and I believe they went to Kansas City. Two or three days later Volney Davis returned alone and told me that he had been in Kansas City on business. About three or four days later Fred and Doe returned, and at this time Fred informed me that Earl had died.

When Fred and I arrived in Kansas City two or three days prior to the Fairbury bank robbery I immediately went to see Doris and found Volney there visiting with Edna. I asked Doris at this time if she cared to live with me and she consented, whereupon I gave her my automobile and told her and Edna to drive to the apartment I had rented in Maywood, Illinois.

When Doe and I returned from Ft. Paul the day after the Fairbury bank robbery we went direct to Louis's Place and found Doris and Edna there. That night Fred and I got into an argument because I wouldn't get drunk with him. He believed that Doris was keeping me from drinking and that I was preferring her to him. I drove home in Fred's car that night and on the following day he came to my apartment for the keys. He did not say very much at this time. Fred apparently went out of town the next day because in the meantime Volney had returned from Kansas City and informed me that he had seen Fred and that Fred wanted to talk to me when he returned. In this connection I went to his apartment in Oak Park, Illinois for three or four days afterwards and each time his mother told me that Fred was out of town. However, at the end of three or four days he apparently returned as I saw him with Eddie Green coming from the Home Apartments. I told Fred that Volney had informed me that he (Fred) wanted to see me. He appeared to be very angry and said "Never mind, you and I are through". He would not furnish me further explanation concerning his attitude in this regard. A couple of days later, while we were at Louis's Place, Fred danced with Doris and told her what a sap I was for falling for a girl. Doris got mad and cussed him out. On the next day Alvin and Fred came to my apartment and at this time Fred accused me of talking against him to Doris. I denied this and he called me a "dam liar". He then left without saying anything further. This was the last time I saw Fred until he came to my apartment in Minneapolis, Minnesota about seven months later. Up to this time Fred had given me off and on about \$4000.00 or \$5000.00.

Doris and I continued to live in Maywood, Illinois until the latter part of June 1933. During this period Volney and Edna were together with us most of the time. Around the latter part of May 1933 Doris and I took a trip to Commerce, Oklahoma and returned to Maywood, Illinois with Mott and Preston. Mott is Doris' boy and Preston is the son of Edna. We brought them with us to see the World's Fair. On the day Doris and I moved from Maywood, Illinois we stopped to say goodbye to Volney and Edna and while there we met

Vern Miller and his wife, Vi, who were visiting Volney. I believe Vi had her daughter with her. Concerning them, I wish to state that I had seen Vern and Vi on one or two occasions at Louis's Place a few weeks previous.

When we left Maywood, Illinois, we lived in Cudah and Commerce, Oklahoma for a few days with Doris' family and then went to Kansas City, Missouri and obtained an apartment at the Tattershall Apartment Hotel, the address of which I do not know. There is a large stone church across the street. We went to St. Paul, Minnesota in the late Summer of 1938 and checked in at the St. Paul Hotel under the name of E. A. Conoley. Shortly thereafter I met Eddie Green in a gambling joint near the St. Paul Hotel. I believe there was a barber shop in front of this place. Eddie asked me what I was doing and having nothing particular in mind he suggested that we go fishing at a place called Three Lakes, which is near Crosby, Minnesota. The four of us, that is - Eddie, Bessie, Doris and I, lived at this lake for about 35 days and no one visited us while there.

We left Three Lakes around September 1, 1938 and rented a cottage on a lake approximately 25 miles south of Minneapolis, Minnesota. Eddie Green had previously stayed at this resort and we moved there at his suggestion. I recall that on the day we left Three Lakes we stopped at a filling station and read about the payroll robbery in St. Paul. Eddie and I talked about it and Eddie remarked, "I wonder who in the Hell pulled that".

About a week after we moved to this lake Doris received word from her brother that her father had died and she went to his funeral, traveling to Kansas City by plane. While living at this lake Doris was receiving her mail in care of General Delivery, St. Paul and Eddie and I made frequent trips to St. Paul to pick up her mail. On one occasion Eddie got drunk in Harry Sawyer's place and I believe he told Harry at that time where we were living. We did a lot of fishing on this lake and when it began to get cold, removed to Minneapolis and obtained an apartment at the Whitecide Apartments on Girard Street. Eddie and Bessie obtained an apartment nearby on Fremont Street in the 5500 block. I believe this was around October 1, 1938. Eddie and Bessie were in our company quite frequently at this time. On two or three occasions Eddie and I visited Harry Sawyer's Place on Tabatha. I saw Tommy Carroll and Baby Face Nelson there. We also visited Eddie Green's apartment and on one or two occasions we met Homer Van Meter and Tommy Carroll there.

Shortly after Thanksgiving of 1938 Volney and Edna visited us at our apartment. They had had an automobile accident and as a result Edna received two fractured ribs. I took her to a doctor in Minneapolis for medical aid and she stayed with us for about two days. Volney did not stay at our place and I don't know where he was living at this time. Subsequently Fred Barker came to see me. I guess he got my address from Volney. Fred asked me

on this occasion what I was doing with Eddie Green. I told him that we were just "yelling" around together. He then said that he had heard that Eddie had beaten up his mother and when I told him it wasn't true because I had seen her shortly subsequent to the time Fred specified as to when Eddie was supposed to have done this he "went up in the air" and said that I was siding with Eddie and making a fool out of him. Later Volney told me that Fred had passed me out to him as I was preferring Eddie Green to him.

Bill Weaver and his girl friend Myrtle also visited me on two or three occasions during this period. The only people Doris and I visited around this time were Eddie and Bebbie Green, and on two occasions we went to Eddie's mother's home for dinner.

On or about January 15, 1934, two days before the Bremer kidnaping, Fred Barker came to my apartment along towards evening and warned me that I had better move if I knew what was good for me. He did not explain why he wanted me to move nor did I get a chance to ask him. Immediately after Fred left I went to Eddie Green's apartment and told him what Fred had said, further stating that I was leaving the following day. I told him that Doris and I were going to Oklahoma and invited him and Bebbie to join us. I had previously talked to Eddie about the zinc mines in Oklahoma and he always expressed a desire to see them. In view of this I thought that this occasion would afford a good opportunity for me to show those mines to him. Bebbie desired to take the trip and the four of us left the following morning in my car. We drove to Commerce, Oklahoma, arriving there that night. Eddie and Bebbie stayed at Kott Stanley's place and Doris and I went to live with her mother at Cardin, Oklahoma. We stayed with Doris' family for about a week and while at this place we read in the newspapers about the Bremer kidnaping. Eddie and Bebbie were still living at Kott's place in Commerce at this time. Naturally we discussed the kidnaping and Eddie was of the opinion that the Barker boys, et al., pulled that job as he knew they were in town, and, furthermore, did not believe that anyone else in St. Paul at that time would be capable of pulling a "snatch". I also believed that these boys kidnapped Bremer and that Freddie told me to leave so that I would not be in town when it happened. It might have been a kind act on his part.

From Oklahoma, Eddie, Bebbie, Doris and I moved to Topeka, Kansas and obtained apartments in the Senate Apartment Hotel. Eddie and Bebbie left Topeka about two or three weeks later and I believe they returned to St. Paul. Doris and I left Topeka the day after Eddie and Bebbie departed and went to Commerce, Oklahoma, where we lived at Kott's place for about two months.

Around the latter part of May 1934, Doris received a long distance call at Kott's place from Edna. I think the call came from Aurora,

Illinois. Edna stated she was going to be operated on and wanted Doris to come to Aurora. So drove there in my Buick Victoria Coupe and registered at the Riverside Hotel under the name of J. V. Conoley. We lived at this hotel for about a week and then moved to an apartment which we rented from a man by the name of Burkell. During this period I saw Volney two or three times but he wasn't living in Aurora. On one of these occasions he gave Doris \$50.00 to give to me. At this time he owed me about \$600.00 which I had given him from time to time while in St. Paul, Minnesota and Reno, Nevada during the latter part of 1932 and early part of 1933.

Also I recall that on one occasion while in Aurora, Illinois, Fred Barker and his mother, accompanied by a heavy set man named Willie, were at Cory Fales' house and Doris and I went over to see them.Mother stated that they just stopped to see how we were getting along and where we had been. Fred did not have very much to say. On another occasion I met a fellow by the name of Jimmy, who Volney brought with him to Aurora. Also while in this town I became acquainted with Cory Fales and Mott Kirsch through Edna. We spent considerable time drinking at the Fox Gardens at Aurora. We remained in Aurora for about a month, after which Doris and I returned to Commerce, Oklahoma. Shortly thereafter Mott Stanley, Doris' brother, received a letter from Volney in which there were enclosed two money orders for \$100.00 each. These money orders were issued in Mott's name but were intended for me. It was part of the money that Volney still owed me.

From Commerce, Oklahoma we moved to Salina, Kansas; Wichita, Kansas and Cardin, Oklahoma. I did a little gambling around this time and won about \$200.00. We moved to Kansas City in August 1934 and obtained an apartment on Campbell Street. From there we rented an apartment located at 4112 Leaven Street under the name of R. A. Conoley, where we lived three or four months. We subsequently rented an apartment at 23 Werner Plaza, Apartment 7, and here we used the names of Mr. and Mrs. J. C. Tracy, living there until Doris was arrested following the shooting of a Mrs. Helene Bush on February 5, 1935.

About three months ago Volney Davis and Edna Murray came to our apartment in Kansas City and we had visited with them off and on since that time.

I traded a 1933 Nash Sedan for a 1933 model Buick Victoria Coupe with the Stevens Motor Company, Minneapolis, Minnesota in October 1933, and I used this Buick until I sold it about three weeks ago to a Used Car Dealer on West 18th Street named Isseas, or some such name. I then purchased a 1933 model black Chevrolet Coupe from the Sullivan Chevrolet Company in Kansas City, which is the car I was driving when I was arrested.

On Tuesday, February 5, 1935, Volney Davis came to my apartment and asked me to take him down to the United Motors Service Company to see

156

whether his Pontiac Sedan was ready. He had previously placed it in this garage for repairs. He remained in the garage for about ten or fifteen minutes after which he requested that I drive him to Raytown, Missouri. He told me to wait for him and a few minutes later he returned and we went back to Kansas City, Missouri. I do not know what business he had at Raytown. When we reached Kansas City at this time he suggested that I drive him to a point on Troost Avenue near the car barns, stating that he had to see a fellow about something. When he left me I returned to my apartment at 32 Warner Plaza and found that Doris was not at home. I waited around for a couple of hours and then went to look for her but could not find her. The next morning at about 5:30 or 6:00 A.M. I read in the newspaper that Doris, under the name of Vinita/Tinney, had been arrested for shooting a woman. I became very much worried and went to Volney's and Edna's apartment and showed them the story in the paper. They were surprised to hear about this and we engaged in a long discussion as to the motive Doris would have to shoot this woman. However, we could not come to any logical conclusion. I then returned to my apartment and packed my clothes, this being around 7:30 in the morning of February 6, 1935. I returned to Volney's apartment later that afternoon and remained there until 7:45 P.M. At this time Volney had not as yet shown up and Edna stated that he left around noon to get his car at the United Motors Service Company and that she had not seen him since that time. She was very much concerned about his failure to come home and suggested that I drive her to an apartment on Troost Avenue, stating that she wanted to see if Volney was there or had been there. I drove her to an apartment, which is near the car barns, and I believe the address is 4915 Troost Avenue. She went into the building alone and a few minutes later she returned and said that no one apparently was at home. However, as we drove away she looked back and observed a light in the apartment in question. She remarked that it was strange that there was a light in the apartment and that she had received no response when she knocked on the door. I looked to see what apartment she had reference to and observed that same is situated on the North end of the building, to the rear, on the second floor. She did not mention who lives at this apartment nor did she state whom she wanted to see concerning Volney. However, I am of the opinion that a man by the name of Leo, whom I had previously met through Volney, lives there as he is the only person, to my knowledge, that Volney has connected with in Kansas City.

Concerning this man Leo, I wish to state that I met him on one occasion while at Volney and Edna's apartment at 3213 Broadway. On this occasion Volney talked with Leo alone for about 20 minutes and when he left Volney casually remarked that Leo owned a 1935 Model Ford Coupe. This was the first and only time I met Leo and I do not know anything concerning his business and associations.

The last time I saw Volney Davis was about 10 o'clock on the morning of February 6, 1935, when he went to the garage to get his car. I did

not take him to this garage nor did I see him get arrested.

I wish to state that Volney had told me at various times that Fred informed him that should I ever want to connect with him and the boys again I should let him know through Volney. However, Fred wanted me to give up Peris which I did not care to do.

I absolutely do not know who kidnaped William Hamm in St. Paul in June 1933, nor did I ever hear any discussion or conversation concerning this kidnapping as I did not associate with anyone except Volney Davis subsequent to that period. However, I do know that most of the members of the mob were in Maywood and Oak Park, Illinois at that time. I do not know Fred Coetz, Harry Campbell, Russell Gibson, Paula Harren, Wynona Burdette or Dolores Galeney, but I believe that I have heard Campbell's name mentioned by the boys on a few occasions.

The only persons with whom I have associated during the past three months are Volney Davis and Johnny Bush, who is the husband of the woman whom Peris shot.

I have read the foregoing statement, which consists of twelve typewritten pages and swear that the same is true to the best of my knowledge.

Dear Sir:

Reference is made to the statement obtained from subject
Jess Doyle with aliases, by Special Agent John L. Madala at the
Wyandotte County Jail, Kansas City, Kansas, under date of February
16, 1938.

The Bureau desires that this statement be thoroughly
checked with a view to verifying and corroborating the allegation
contained therein particularly involving the financial transaction
occurring between subject Davis and subject Doyle. It is noted
that Davis owed Doyle a sum of \$800.00 and that shortly after the
kidnapping of victim Bremer, \$250.00 was paid to Doris O'Conner to
be given to Doyle. There were also two \$100.00 money orders which
were transmitted by Davis to Mott Stanley, brother of Doris O'Conner,
to be given to Doyle. Every effort should be made to trace these
money orders.

On page 9 of the statement Doyle relates that he and Doris
O'Conner, accompanied by Eddie and Deasie Green, left St. Paul, Minne-
sota and proceeded to Oklahoma where he read in the newspapers, for
the first time, about the Bremer kidnapping. In this connection your
attention is directed to the letter of Inspector H. H. Clegg, dated

On page 14 of Inspector Clegg's letter there appears a statement made by Bessie Green that, while in Topeka, Kansas, she read in the papers that Bremer had been kidnaped; that she and Eddie Green occupied an apartment in the Senate Apartment for a period of about two weeks. The Bureau will make arrangements to have Bessie Green interviewed further with reference to the trip alleged to have been made by Jess Foye accompanied by Eddie and Bessie Green. The Bureau will also have Bessie Green interviewed, at the same time, relative to the operation of bank robbing gangs. Two copies of Inspector Clegg's letter were indicated for every field office.

KIDNAPING

On February 14, 1935, one Howard Dean, who identified himself as a former inmate of the United States Penitentiary at Leavenworth, Kansas, on whom this office has a file, called at this office and stated that he had had some contact with the Denver Office in the past. He stated that he believed by making connection in Kansas City with a former cellmate at Leavenworth, Cliff Palmer, he might be able to obtain information concerning the whereabouts of Alvin Karpis. He stated in this connection that Karpis and Palmer had been cellmates at the Kansas State Penitentiary. He advised that he had not seen Palmer in Kansas City, but understood that he was here, and indicated that he desired an advance of funds to maintain himself until such contact could be made. He informed me that it had been suggested to him by you that he call at this office.

I was not impressed with the possibility that Dean could be of any material assistance, and did not advance any money to him. However, I expect him to again call at this office, and desired advice from you as to your previous knowledge of Dean, and hence forwarded you a telegram. In view of the information contained in your telegram, no further consideration will be given to an advance of funds to Dean, but,

KIDNAPPING

Dear Sir:-

Please refer to my letter of January 31, 1935, concerning our efforts to obtain possession of the 1935 Model Buick Two Door Coach, Motor #4249155, which was in the possession of the Atlantic City Police Department.

A search warrant was issued by the U. S. Commissioner at Trenton, N. J., under date of January 31. I sent Special Agents Sharp and Knittle to Atlantic City with this search warrant on February 1st, and they conferred with City Solicitor Anthony J. Siracusa. According to the Agents, it appears that before their arrival in Atlantic City, Chief of Police James McMenamin had again conferred with City Solicitor Siracusa and from all appearances advised Chief McMenamin that he would be within his legal rights to retain the Buick automobile abandoned by Karpis.

Siracusa informed Agents that he had advised Chief McMenamin that it would be to his, and to the city's advantage to turn the Buick over to the Agents of the Division in order to reflect the cooperative spirit which he felt was necessary between local and Federal authorities. He further advised the

Agents that the Chief had written a letter January 31, to this office explaining this situation in detail and in which letter the Chief informed that he would be glad to turn the car over upon receiving a receipt for same.

In view of Siracusa belated cooperative attitude, Agent Sharp diplomatically refrained from mentioning the search warrant in his possession. This, of course, was commendable on the part of the Agent. The car was turned over and driven to Philadelphia by said Agents and is now stored in Fogel's Garage with the other Division cars.

It was determined that the motor number is 42949155 rather than #4949155.

Agent Sharp informed that Director William Cuthbert, Chief James McMenamin and Siracusa reflected a more satisfactory attitude than at the time of refusal to relinquish possession of the car. Furthermore, there appeared to be no ill feeling as the result of our endeavors to obtain possession of this car.

Director Cuthbert informed Agent Sharp that he is setting up an indoor and outdoor pistol range for Atlantic City Police and intends to purchase two to four sub-machine guns so that, in the future, they will be amply armed for such situation as arose in the encounter of Karpis and Campbell.

I expect to make a trip to Trenton, N. J., in the near future in order to have the U. S. Attorney prepare the affidavit upon which will be predicated an order by the Federal Court, similar to that approved by Federal Judge Wilkerson in Chicago, directing that this car be turned over to the Division. I assume that when this order is signed, it will be satisfactory to utilize this car in the Philadelphia District, inasmuch as the office is greatly handicapped because of shortage of Division owned automobiles.

Re: Bremer Case

Mr. Harvey advises that the doctor in Philadelphia has stated that Dolores Delaney will be able to travel on or after Friday, February 15 and that the removal of the Delaney and Purdette women to Florida to answer harboring indictments there will be undertaken shortly after February 15th. The removal hearing has not been held as yet, due to the condition of the Delaney woman and consequently the removal order has not been signed. Harvey advises that Mr. Connelley believes Division Agents should accompany representatives of the Marshal's office in transporting these women to Florida. I do not believe the Division should assign Agents to act as guards with the marshals in the removal of these women. Please advise what action you desire to take with reference to this matter.

Mr. Nathan telephoned from the Kansas City Office relative to the information relative to the address in Kansas City which was furnished him yesterday; namely, 601 Ninth Street. Mr. Nathan stated that a check of both Kansas City, Kansas and Missouri revealed that there is only one place of the above address, which address is 601 East 9th Street, Kansas City, Missouri. This address is occupied by a filling station operated by one William H. Williams. Williams resides in the southern part of the town, and they have not as yet been able to find out much about him. This station is apparently a privately owned and operated filling station, handling Diamond products.

Mr. Nathan stated that further checks are being made on the information furnished.

VICTIM - KIDNAPING.

Reference is made to a letter from Special Agent in Charge E. J. Connelley, dated at Chicago, Ill., Feb. 4, 1935, relative to fourteen one thousand dollar bills taken from the possession of Fred Barker and Kate Barker at the time they were killed at Oklawaha, Fla., Jan. 16, 1935.

Please be advised that Special Agent Charles Holtz interviewed Mr. W. M. Bell, Cashier, Federal Reserve Bank, Atlanta, Ga., who advised that subsequent to the adoption of the Platt Amendment, which provided that the currency of the United States become the only lawful money in the island of Cuba, the Boston and Atlanta Districts of the Federal Reserve System established a branch bank at Havana, Cuba, and subsequently the Federal Reserve Bank of Atlanta assumed control of the branch established in Havana; that in the regular course of business new money has steadily been forwarded from Atlanta to Havana. At one time during an emergency on the island of Cuba, a single shipment of forty million dollars was sent to the island; that because of climatic conditions in Cuba, the money soon becomes unfit for circulation whereupon the Havana bank absorbs the deteriorated money and returns it to Washington for redemption.

The interview with Mr. Bell developed that on Feb. 4, 1935, Mr. H. C. Frazier, Manager Agency Federal Reserve Bank, Havana, Cuba, forwarded a letter to Mr. Bell advising that Special Agent R. D. Brown had made certain requests relative to retaining bills for a reasonable length of time pending investigation in this case and on Feb. 5, 1935, Mr. Bell forwarded a letter to Mr. Frazier stating there was no objection to retaining the Federal Reserve Bank Notes for assistance in investigating this case and listing thirteen one thousand dollar Federal Reserve Notes indicating the dates same were shipped to the Federal Reserve Bank in Havana, Cuba, from Atlanta, Ga., and Washington, D. C. Copies of the above mentioned letters are attached hereto and are also furnished to each office receiving copies of this letter. A copy of reference letter from 3-1-35 Special Agent in Charge Connelley is also attached hereto for the information of cc-ct. the Jacksonville office.

Dear Mr. Frazer:

I have your letter of the 4th instant informing me of the inquiry being made by Mr. R. D. Brown, a representative of the United States Department of Justice, in connection with ransom money paid in the Bremer kidnapping case.

I can see no objection to your holding, as Mr. Brown requested, the \$5 and \$10 Federal Reserve Bank notes of the Federal Reserve Bank of Minneapolis, aggregating \$1,310, found in your cash, as the amount is not large, and particularly if they may serve some useful purpose in running down the gangsters involved in the kidnapping.

With regard to the thirteen \$1,000.00 Federal Reserve notes of our issue which Mr. Brown told you were found on Kate Barker and Fred Barker, recently killed in Florida by Federal agents, I have had our records examined and find that all of the notes were shipped to your agency by us, or were shipped direct, as indicated, to your agency by the Comptroller of the Currency in Washington.

The following is a list of the serial numbers of the notes furnished by you and the dates indicated are the dates of our shipments or Washington shipments to your agency:

FEDERAL RESERVE BANK
OF ATLANTA

Havana Cuba

Feb. 4, 1935.

Mr. W. M. Bell, Cashier,
Federal Reserve Bank,
Atlanta, Georgia.

Dear Mr. Bell:-

Several days ago Mr. R. D. Brown, representative of the U. S. Department of Justice, called on us stating that he is in Havana making some investigations in connection with the ransom money paid in the Bremer kidnapping case. He stated that his department had information that members of the gang involved in the above mentioned kidnapping had been or are in Havana and that some of the small bills which were paid as ransom in this case had been exchanged in Havana for large denominations.

He furnished us a list giving the numbers of the notes paid and upon examination we have discovered in our cash 226 fives and 18 tens in Federal Reserve Bank of Minneapolis Federal Reserve Bank notes which appeared on the list. Due to the fact that this money has already been assorted, however, it is impossible for us to ascertain from which of the Havana banks it was received.

Mr. Brown requested that if we could conveniently do so that we retain these notes in our cash for a reasonable length of time since the appearance of the notes in Havana might in some way assist him in his investigation. As you know our receipts of Federal Reserve Bank notes are very small and these notes would normally be held for considerable time before accumulating sufficient amount to ship and I, therefore, assume that there will be no objection to our holding these notes until Mr. Brown completes his investigation here.

Mr. Brown also furnished me a list of \$1,000 Federal Reserve Notes of the issue of the Federal Reserve Bank of Atlanta which were found on the persons of Kate Barker and Fred Barker when they were killed by Federal agents in Florida recently. He is very anxious to ascertain whether these notes were obtained in Cuba or in the United States. We have no record of the serial numbers of \$1,000 notes paid out by this Agency and I am therefore furnishing you a list of the numbers of these notes and Mr. Brown requests that if you have any record showing to whom they were paid that you kindly furnish us this information.

Yours very truly,

Dear Sir:

Reference is made to the letter of the Birmingham
office in the above entitled case dated February 15, 1935
relative to the tracing of one thousand dollar Federal Reserve
notes to the Federal Reserve Bank in Havana, Cuba.

In this connection your attention is directed to the
penultimate paragraph of your letter dated December 21, 1934 in
the case entitled U.S. GOVERNMENT VS. ERNEST G. BREWER, et al,
HAROLD H. HARRISON, et al, wherein it is noted that Special Agent
L. E. Kingman arranged with Leonardo Cano, Assistant Secretary
of the Treasury of Cuba, to record the numbers of all one
thousand dollar bills which were given in exchange for five and
ten dollar bills. With a view to possibly tracing some of the
former ransom money to the one thousand dollar bills recovered
from the possession of Fred and Kate Barker, it is desired that
when an agent is next in Havana, Cuba a check of the serial
numbers of the one thousand dollar bills recovered from Fred
and Kate Barker be made against any lists which may have been
maintained at Havana, Cuba.

In an effort to trace the airmail letter addressed to Mrs. Emily Gordon, 1704 Scheffer Street, St. Paul, Minn., with return address of Alamo Plaza Tourist Apartments, a thorough check at San Antonio fails to reflect any such apartments, however, the Waco, Texas, telephone directory indicates that the Alamo Plaza Tourist Apartments are located at Waco, Texas, and same will be checked at a later date.

This Agent interviewed R. T. Thorp, Chief of Police, Austin, Tex., and Ted Klaus, Rex Fowler and Estell Martin, City Detectives, Austin, Texas, who stated that the party "Tommy" was no doubt Tom S. Gathright who recently returned to Austin, Texas, and it had been rumored that he had just been released from the Ohio State Penitentiary. Chief Thorp stated that in the latter part of November or early part of December that Tom S. Gathright accompanied by Mervin Ash called at his office and that Gathright stated, "Chief I have had some trouble, but have returned to Austin, Texas, having recently lost my Mother here and I intend to make this my home and intend to behave myself."

Chief Thorp stated that Tom S. Gathright's mother either in October or early part of November, 1934, died at Austin, Texas, and left an estate consisting of three rooming houses located at 300, 302 and 304 E. 10th Street, Austin, Texas; that Erwin Gathright, brother of Tom, conducted what is known as the Doll House Cafe on the outskirts of Austin, Texas, on the highway between Austin and San Antonio; that Forrest Gathright, brother of Tom, conducts what is known as the "Club Forrest" which is a gambling house and Denton Gathright, brother of Tom, works for Forrest; that Forrest Gathright also owns a cafe across the street from the Travis County Court House at Austin, Texas. Chief Thorp further stated that Tom S. Gathright as he remembered in the year 1915 held up the Maverick Cafe at Austin, Texas, and that he was later indicted for this offense and an extensive search was made for him; that about a year after this holdup they had information that Tom Gathright was at Denver, Colo., and that Estell Martin was then a City Detective and he went to Denver, Colo., where he spent about ten days before he located and caused the apprehension of Tom Gathright and at the time of Gathright's arrest at Denver he was arrested in the company of an escaped prisoner from San Quentin by the name of Stevens or Stevenson. Chief Thorp stated that it was the same prisoner by the name of Stevens or Stevenson who recently made his escape from San Quentin after beating the warden to insensibility and that as he remembered at that time when Martin arrested Gathright at Denver Gathright was then an escape from the San Quentin penitentiary; that Gathright was returned to Austin for trial and for some cause the owner of the Maverick Cafe failed to identify him and he was released. Chief Thorp further stated that at the time of Tom Gathright's mother's death at Austin that he had heard it rumored that Tom was in the State Penitentiary of Ohio or Minnesota, but thought it was in Ohio.

Estell Martin, Ted Klaus and Rex Fowler corroborated Chief Thorp's statement and Martin stated further that about Christmas or between Christmas and New Year of 1934 that he had seen a Ford V-8 Coupe, bearing Indiana license plates parked in front of one of the boarding houses on E. 10th Street. Agent accompanied by Mr. Martin made several trips to the vicinity of 300, 302 and 304 E. 10th Street in an effort to locate any automobile bearing Indiana license plates, but was unsuccessful as there were no automobiles seen parked in front of or in the grounds of any of these boarding houses.

Chief Thorp stated that he would closely watch Tom Gathright's activities at Austin and would keep a close lookout for any strangers contacting with Tom S. Gathright or with any of his brothers.

The Marriage License Records at the Travis County Court House, Austin, Texas, reflect that marriage license #4302 was issued to T. S. Gathright and Marie Gerrard on December 24, 1934, which license was returned and filed on December 26, 1934, showing marriage ceremony performed by Judge Roy C. Archer, Austin, Texas, and same is of record in Book 53, page 140, Travis County Marriage License Records.

Chief Thorp stated that the party Mervin Ash was also an ex-convict, having served a term in the Texas Penitentiary. He stated further that at the time of Gathright's arrest at Denver and return to Austin that there was no Identification Bureau at Austin and it would be impossible to obtain a photograph of Gathright, unless probably one could be secured at San Quentin penitentiary.

Description of Tom S. Gathright as furnished by Chief Thorp is as follows:

Age, 44 years
Height, 5 feet 11 inches
Weight, 150 to 160 pounds
Eyes, blue
Hair, blonde
Complexion, fair
Medium slender build

The Post Office records were checked at Austin which failed to reflect any record of Tom Gathright, Tom S. Gathright, Marie Gerrard, Marie Borley, or Mrs. Marie Gathright receiving mail at Austin.

1935, a surveillance was maintained over the residence of Harry C. Stanley at 206 East Adams Street, Pittsburg, Kansas, for the purpose of apprehending persons indicted in connection with the kidnaping of Edward G. Bremer. Certain persons indicted in connection with this case were known to have previously visited the Stanleys at Muskogee, Oklahoma and Pittsburg, Kansas prior to the time that surveillance was instituted on January 11, 1935. Persons known to have visited and remained with the Stanleys were Volney Davis alias Curly Hanson, and Edna Murray alias Grace R. Hanson.

On the evening of February 6, 1935, Agent D. A. Bryce, of the Kansas City Office, who had been stationed with the writer of this report at Pittsburg to maintain the surveillance mentioned above, received a telephone call from Special Agent in Charge R. B. Nathan, of the Kansas City Office, who advised that a location in Kansas City that had been under surveillance had been entered with the idea in mind of apprehending Jess Doyle and Edna Murray. However, at the time the apartment in Kansas City, Missouri was entered it was found that Jess Doyle and Edna Murray had left. Mr. Nathan consequently advised Agent Bryce to be on the watch at 206 East Adams Street, Pittsburg, Kansas, the home of Harry C. Stanley, in order that if Jess Doyle or Edna Murray put in an appearance there they might be apprehended. Special Agent Bryce was furnished at this time with a description of the automobile in which Jess Doyle was believed to be traveling. This automobile was described as being a 1933 black Chevrolet Coupe, bearing 1935 Missouri registration 193-380. The writer was absent from Pittsburg at the time the telephone call was received from Mr. Nathan. However, Agent V. R. Clary, who was in Pittsburg at the time, assisted Agent Bryce in checking all the streets and garages in Pittsburg with a view of locating the above mentioned automobile. After searching for several hours the search for the car was abandoned and Agents returned to their Hotel. Previously, during the time the surveillance had been maintained, Agent Bryce and the writer were using an informant who was advising of all activities occurring at the Stanley residence, at 206 East Adams.

On the morning of February 7, 1935, this informant called Agent Bryce on the telephone and stated that there was a strange car parked in the rear of the Stanley residence. This call was made at approximately 7 A.M. Agents Bryce and Clary immediately made investigation and it was found that the car parked behind the Stanley residence answered the description of the one in which Jess Doyle was reported to be traveling.

The assistance of Chief of Police Ross Armstrong was sought by Agents and it was agreed that a surveillance would be maintained over the automobile and after it had left the premises at 206 East Adams Street and taken to the highway they would make an effort to apprehend the person or persons in the car. Agent Bryce also sought the assistance of Tom Stowers, Desk Sergeant, Pittsburg Police Department, who had previously been working with Agent Bryce and the writer in the matter of this surveillance. Shortly

183

after Agents Bryce and Clary with Chief Armstrong had taken up a position from which the Stanley residence could be watched, and before Sgt. Stowers arrived at the scene, Harry Stanley left the rear door of his house and got in his car which was parked in the garage immediately to the rear of the house. He started his car, which is a Buick 2 door Sedan, and backed it out of the driveway to the street. He was followed out of the house by Jess Doyle, who entered the Chevrolet Coupe and started after Stanley. Stanley proceeded in a southerly direction from Adams Street for a distance of about two blocks being followed at the time by Doyle in the Chevrolet Coupe. After reaching a point two blocks South of Adams Street, Stanley turned West and stopped at Broadway, the main thoroughfare of Pittsburg, Kansas. Stanley proceeded on across Broadway and was followed by Jess Doyle, and after proceeding in a Westerly direction for a distance of about three blocks turned South. Meanwhile the Division automobile, which was being driven by Special Agent Clary, and in which Special Agent Bryce and Chief of Police Ross Armstrong were riding, followed Stanley and Doyle, keeping them well in sight. It so happened that when Stanley turned South, after having proceeded three or four blocks after crossing Broadway, the street that he selected came to a dead-end six or eight blocks further South so that it was necessary for him to make a complete turn and double back over the route he had just traveled. The Division car in the meantime had gotten to a point within a block of the dead-end and after Stanley's car had passed the point where the Division car was parked an attempt was made by Agents and Chief of Police Armstrong to apprehend Doyle. Agent Clary blocked the road, which is narrow at this point, with the Division car and Agent Bryce got out of the car and ordered Doyle to halt, calling to him and stating they were officers. Doyle paid no attention to the command but reached for a pistol on the seat alongside of him. Agent Bryce opened fire with a machine gun and shot into the rear of the Chevrolet. The shots fired failed to find a vital spot in either the car or the driver, and Doyle continued Northward until he came to a jog in the street, where he turned. An attempt was made to trail Doyle and apprehend him, but in the chase through the residential district sight of Doyle's car was lost. When it became apparent that Doyle had made his get away for the time being, outlying towns in the vicinity of Pittsburg were notified to watch all main highways for the automobile. Immediately after doing this Agents Bryce and Clary, accompanied by Chief of Police Ross Armstrong, returned to the Stanley residence at 206 East Adams Street, where the residence was entered and the occupants placed under arrest. At the time of entering the residence of Stanley those present were Edna Murray, sister of Harry C. Stanley, who was indicted in the Bremer kidnaping case; Harry C. Stanley and Mrs. Mary Stanley, his wife. At the time of Edna Murray's arrest at the residence of her brother she had in her possession a .32 caliber Colt automatic, which she immediately threw down upon the davenport in the living room.

Jess Doyle surrendered voluntarily to Sheriff Delamade, of Crawford County, an hour or so after the shooting had taken place in Pittsburg.

Upon being questioned later at the Crawford County Jail where he was being held, Doyle admitted his identity and admitted that he was the one who had left the Stanley residence on the morning of February 7th and had been engaged in a gun battle in Pittsburg.

Facts in this case were presented to United States Attorney S. S. Alexander, at Topeka, Kansas, who authorized the filing of a complaint against Harry C. and Mary Stanley, charging them with harboring a Fugitive under Section 246, Title 18, U.S.C.A. Subsequently on February 9, 1935, complaint was filed before United States Commissioner Frank Flack, at Topeka, Kansas, and on February 10, 1935, Harry C. and Mary Stanley were taken into custody at Pittsburg, Kansas by Deputy United States Marshal George Koret, and were removed from Pittsburg, Kansas to Fort Scott, Kansas, where they were brought before United States Commissioner C. M. Armour on the date of February 11, 1935.

Upon being arraigned Harry C. Stanley and Mary Stanley entered pleas of Not Guilty. Bond was fixed at \$7500.00 each and upon not being able to furnish the required bond both were committed to the Bourbon County Jail, Fort Scott, Kansas. Preliminary hearing in this matter was set before United States Commissioner C. M. Armour for February 25, 1935.

Both Harry C. Stanley and Mary Stanley were interviewed by Special Agents D. A. Bryce and W. B. O'Mahoney and signed statements were obtained. The originals of these signed statements are being maintained in the file of this case at the Kansas City Office. The statements obtained are quoted as follows:

Fort Scott, Kansas
Bourbon County Jail.
Feb. 12, 1935.

I, Mary Stanley, make the following voluntary statement to Special Agents D. A. Bryce and Wm. B. O'Mahoney, of the Division of Investigation, U. S. Department of Justice.

On March 4, 1933 my husband and I moved to 444 East 22nd St., Pittsburg, Kan. where we remained until about the middle of October, 1933. During the time that we were living on East 22nd St. both Edna Murray, who is Mr. Stanley's sister, and a party known to me as Curley Hansen visited us once. It is my recollection that Edna Murray stayed overnight but that Curley Hansen did not. During the summer of 1933 a party known to me as E. A. Connley and Doris, another sister of Mr. Stanley, visited us at 444 E. 22nd St. Doris introduced E. A. Connley as being her husband. They remained at our house for a period of a couple of weeks. They would not

-5-

"stay at our house during the whole time they were in Pittsburg, but stayed part of the time at the Besse Hotel, they complained of their room at the Besse Hotel and I invited them to stay out at our house and save the expense of the hotel room. Mr. Connley at this time was driving a Nash Sedan, and during the time he was at our home he bought a complete set of tires for his car. He also bought a complete set of tires for Mr. Stanley's car, a Buick Sedan. The tires were bought at the tire shop located on the west side of Broadway just south of the Frisco RR tracks.

In October of 1933 we moved from E. 22nd St. and went out to keep house for my father W. H. Boice, Rt. #2, Pittsburg, Kan. We stayed there until December 1933 about the 7th of the month. During the time we were at my father's none of the parties mentioned above visited us.

After moving from my father's in December 1933 we tried to locate on a small farm but we were unable to find one suitable. After looking over several farms in Missouri and Oklahoma we finally situated at Kerrville, Texas, about Jan. 9, 1934. We stayed there until about April 1934. While in Kerrville we lived at 604 Washington St. During the time we were at Kerrville, Texas we never heard from or saw anything of Edna, Doris, Curley Hansen or E. A. Connley.

After leaving Kerrville, Texas in April of 1934 we came to Muskogee, Okla. where we rented a furnished apartment at 1109 Okmulgee Ave. We stayed there until the 3rd of July 1934. While at this address in Muskogee, Okla. Doris and E. A. Connley, together with Mrs. Lou Stanley, Mott Stanley, his wife, Doris's son and Edna's son visited us one Sunday. I don't recall when it was that they visited us it was either May or June.

After leaving Muskogee in July 1934 we again looked for a small farm in the vicinity of Cookson Hills, Okla. We camped out Cookson, Okla. for about six weeks. We left Cookson, Okla. and went to Harry's mothers at Cardin, Okla. We were at his mother's on August 25th, which is Harry's birthday. Leaving Cardin, Okla. we came to Pittsburg, Kan. where we visited my family. We stayed there only a few days and then moved back to Muskogee, Okla., taking a place, 205 $\frac{1}{2}$ North 12th St., Muskogee. It was right around the 2nd or 3rd of September that we took the apartment at 205 $\frac{1}{2}$ North 12th St. We remained at this address until about the first of November 1934. From September to November while at Muskogee, Okla. Edna Murray and Curley Hansen visited us. Edna and Curley stayed at our house for about a week. Curley Hansen at this time was driving a Pontiac sedan. During the time that Curley Hansen was at our home he seemed to go around as he pleased. Edna,

80

-6-

"however, wasn't feeling well and remained in the house most of the time. As Curley Hansen had a new car we let him use the garage that we had rented and left our car parked in front of the house. On one occasion while Hansen was at our home we all went for a ride in his car. The car at that time as far as I could see had no guns in it.

While Hansen and Edna were in Muskogee nothing was ever said that would lead me to believe that Hansen was a fugitive or a convict. I knew that Edna had been in the Penitentiary but I didn't know that she was being looked for then.

Hansen and Edna were the only ones who visited us at 205½ North 12th St. Muskogee, Okla., none of the others ever coming to our place.

After leaving Muskogee about the first of November 1934 we went to Wheeler, Montana, where we remained until just after the first of December 1934. While in Montana we had no word whatever from Edna, Doris, Hansen or Connley.

We arrived in Pittsburg, Kan., about December 15, 1934 and rented a furnished home at 206 E. Adams St. We remained there until we were taken into custody.

During the time we were at 206 E. Adams St. Edna Murray and Curley Hansen visited us one time, shortly before Christmas, they remained for about two or three hours. Hansen was still driving the same car he had at Muskogee. Hansen again stopped at our house about noon one day following his visit with Edna. He stayed just long enough to eat dinner with us, and said he was just going through.

Also during the time we were at 206 E. Adams St., E. A. Connley visited us on two different occasions. The first time he was there he was with Preston Paden, Edna Murray's son. Harry and I were eating our noon meal when they arrived and they remained for about two or three hours. They ate with us. The next time that I saw E. A. Connley was about 3:00 a.m. on the morning of Feb. 7, 1935 when he came there with Edna Murray. I did not know Connley as Jess Doyle until I read the morning paper Feb. 7, 1935. "The Pittsburg Sun" which said that some apartment manager in Kansas City, Mo. had identified a picture of Jess Doyle as being one E.A. Connley to whom he had rented an apartment. This was the first time that I knew that Connley was a fugitive.

Since Jan. 1, 1935 we have been regular subscribers to the Pittsburg Sun, the morning paper at Pittsburg, Kan. The only occasion when I would see a Pittsburg Headlight, the Evening paper, was when I would go out to my father's. I do recall reading an account in the Pittsburg

181

"Sun which stated that indictments were returned against certain parties in the Bremer kidnaping case, but none of the names mentioned were names that I had ever heard before. I did not see the name of Edna Murray, E. A. Connley, Hansen or Volney Davis.

The first that I knew that Curley Hansen was Volney Davis and that he was wanted by the government was after I was arrested. I did not know that Edna Murray was under indictment by the Federal Government until after I was arrested Feb. 7th. I don't recall whether I had ever read anything about Jess Doyle being wanted by the Government, and I didn't know that Doyle was Connley until I read the paper on the morning of Feb. 7th, while Doyle was at my home with Edna Murray.

I have read the foregoing statement which consists of this and two preceding pages and declare that the facts set out therein are the truth.

I, Harry C. Stanley, make the following voluntary statement to Special Agents D. A. Bryce and Wm. B. O'Mahoney of the Division of Investigation, U.S. Department of Justice.

I moved to Pittsburg, Kansas, March 4, 1933 and took up residence at 444 E. 22nd St. where I lived with my wife until October of 1933. It was while living at 444 E. 22nd St. that I first saw Jess Doyle, who was introduced to me by my sister Doris Stuchlik as E. V. Connley. They stayed at my house for about three days or so. While Doyle was at my house he bought a complete set of tires for my automobile. He claimed that his business was bond salesman. Edna Murray, who is also my sister, also came to my house at 444 E. 22nd St. with a man named Curley Hansen. Curley Hansen was supposed to be in business with E. V. Connley. Edna and Curley stayed just one day arriving in the morning and leaving

80

"that night. The time of this visit, as near as I can remember, is about July 4th. I did not know that Doyle or Curley Hansen who I now know to be Volney Davis, were ex-convicts. I did not find out who they really were or that they were wanted by the Government until the morning of Feb. 7, 1935 when I read an account in the Pittsburg Sun.

The next time that I saw Curley Hansen was after we had taken an apartment in Muskogee, Okla. in September of 1934. The apartment was located at 205½ North 12th St. Curley Hansen and Edna my sister came there and stayed about three days. Hansen was driving Pontiac Sedan. I was in this car on one occasion. At this time I never saw any guns.

The next time I saw E. V. Connley after seeing him in Pittsburg, Kan. July 1933 was in April 1934 right after we had returned to Muskogee, Okla. from Texas. He came to visit my wife and I with my mother, brother, sister-in-law, my sister Doris, Doris' son, Mott, and Edna's son Preston Paden.

After moving to Pittsburg, Kan. 206 E. Adams St. about Dec. 16, 1934, Edna and Curley Hansen came to my house one Sunday. They just stayed for dinner and left. This was after we had been living in Pittsburg for about two weeks. They never did say where they were going or where they had come from. Connley also came to my home at 206 E. Adams St. with Edna's son, Preston. I don't remember the date, they only stayed for a very short time, not over an hour. Curley Hansen also came to the house alone, I don't remember the date, and only stayed for about thirty minutes. The next time that I saw either Connley or Hansen was about 3:00 A.M. on the morning of Feb. 7, 1935, when Edna and Connley came to my home. It was on the morning of Feb. 7th that the shooting took place and I was taken into custody.

On the morning that Connley came to my home with Edna I read the Pittsburg Sun and saw that Connley was really Jess Doyle. That was the first time that I knew that he was wanted by the Government. I did not know that Edna or Jess Doyle were indicted in the Bremer kidnaping case. After learning who Connley was on Feb. 7, I tried to get rid of Connley. I realized that I was in a spot and was trying to get out of it. I told my wife that I was going out to Chicopee after a bottle of liquor. When I said I was leaving Connley said that he would go too. I went to the bed and got his overcoat and gave it to him. He put it on and said "Come on, let's go". He said "Hold on, don't run off from me". I stayed on the back porch until he came out. I went to the garage and got my car and he got in his. I backed clear to the street and headed south and drove

off. Doyle was right on my heels in his car. I drove south two blocks and turned west to Broadway, I thought that Connley would take Broadway either north or south and I went straight across. After I crossed Broadway I looked back and saw Doyle still following me. I then turned South on a blind street where I had to turn around and come back. After I had turned around and crossed the intersection of Quincy St. I heard the shooting and I stopped. No one seemed to be interested in me so I drove on home. Shortly after reaching home I was placed under arrest.

I did not know that Edna Murray, who is my sister, was an escape from Missouri State Penitentiary, I believed that she was out on Parole. I did not know that she was under indictment in the Bremer kidnaping case or that Connley was Doyle or that he was under indictment in the same case.

I have read the foregoing statement which consists of this and one previous page and declare that the facts set out therein are the truth.

Wm. B. O'Mahoney, Special Agent

Division of Investigation

U.S. Department of Justice

/s/ Wm. B. O'Mahoney

/s/ D. A. Bryce.

It is noted that both Harry C. and Mary Stanley deny knowledge of the fact that Volney Davis, who was known to them as "Curley Hansen" and Jess Doyle, who is known to them as "E. A. Connley" and Edna Murray were wanted by the Department of Justice, all three having been indicted January 22, 1935, in the United States District Court, District of Minnesota, Third Division, charging that between December 1, 1933 and May 1, 1934, Edna Murray, Jess Doyle and others conspired to transport the kidnaped Victim, Edward George Bremer, from St. Paul, Minnesota, to Bensonville, Illinois, and hold him for \$200,000.00 ransom in violation of Act of Congress, approved June 22, 1932, Chapter 271, 47 Statutes 326, 18 U.S.C. 408A.

There is no evidence presently at hand to indicate that Volney Davis did visit or stay at the home of Harry C. and Mary Stanley in Pittsburg, Kansas since the date of his indictment. However, it is clearly evident that both Jess Doyle and Edna Murray did remain at Stanley's residence from 3 o'clock on the morning of February 7, 1935, until 8 o'clock of the same morning.

In connection with the statements made by both Harry C. and Mary Stanley to the effect that they knew Volney Davis as "Curley Hansen" only,

the writer had occasion to talk to Edna Murray in the Wyandotte County Jail, and she stated that her brother Harry knew Volney Davis as Volney Davis in that while she was in Sapulpa, Oklahoma, which was approximately the year 1923, she and Davis became sweethearts, and that her brother Harry knew of this. In a written statement obtained from Edna Murray by Special Agents John L. Madala and R. P. Shanahan, Edna Murray stated that she had learned of her father's death in September 1933 after arriving in Pittsburg, Kansas. She stated she intended to contact her brother Harry, who at that time was living on 22nd Street in Pittsburg, but learned that Harry was attending his father's funeral in Oklahoma. Both she and Volney waited in Pittsburg until her brother Harry returned and remained with him over-night.

Further, in the statement, Edna Murray states that about the first week of August 1934, she drove from Aurora, Illinois to Glasgow, Montana, with Volney Davis. At Hinsdale, Montana, Volney Davis, a party by the name of Corey Bales, and Preston Paden, who is a son of Edna Murray, went to work in Rennick's Beer Tavern, operating a gambling business there. Davis and Bales at this time were arranging to construct a beer tavern and dance hall in Glasgow, Montana, which would cost approximately \$6000.00. After remaining in Glasgow for about three weeks Edna Murray left Glasgow with her son because of an argument with Volney concerning Corey Bales and her son. On about October 1, 1934, Edna Murray returned to Glasgow, Montana from Kansas City and at this time the dance hall and beer tavern that Bales and Davis were building was practically finished. About October 6th or 7th Edna Murray and Davis left Glasgow and returned to Illinois. They returned later to Hinsdale, Montana where they were advised by Corey Bales that someone was looking for Volney Davis. Davis then said that he would have to leave Glasgow forever for fear of being arrested. After leaving Montana Edna Murray and Volney Davis proceeded to Muskogee, Oklahoma, where her brother Harry was then residing. She states that "Volney's real reason for this was that he wanted Harry and his wife to go to Glasgow, Montana, to see how things were going on there, and generally take care of his interest in the business". They remained in Muskogee for a few days after that and returned to Kansas City, Missouri. Later in her statement Edna Murray states that about two days before Christmas Volney Davis and she drove to Pittsburg, Kansas to see her brother and his wife, who were then living at 206 East Adams Street. She stated that their reason for going to Pittsburg at that time was to learn from Harry Stanley how things were going on in Glasgow. After arriving at Pittsburg Harry Stanley informed Volney Davis that the place in Montana was not being run very well; that it wasn't making any money. He also stated that a man named Gyp was working for Corey Bales at Glasgow, Montana. Gyp, according to Edna Murray, is known to her as a party who worked for a Matt Kirsch at the Fox Gardens in Aurora, Illinois, which was a place frequented by the more notorious outlaws.

This information is being set out in order to show that the statements made by Harry C. and Mary Stanley are in all probability false, in that

neither Harry C. or Mary Stanley claim to have known Volney Davis when it was as Volney Davis he was arrested in Oklahoma in the year 1923 and sentenced to McAlester Penitentiary. It also seems unreasonable to believe that with the close association of the Stanleys, Preston Paden, Edna Murray and Doris O'Connor, another sister of Harry Stanley, that the latter would not be fully advised as to the true identity of both Jess Doyle and Volney Davis.

It may be also significant to note that the statements of Harry C. Stanley and Mary Stanley indicate that they did make a trip to Glasgow, Montana immediately or shortly after Volney Davis and Edna Murray had visited them in Muskogee in September 1934, it being noted that Edna Murray in her statement claimed that the reason that she and Volney visited her brother Harry in Muskogee in September 1934 was to get Harry to make a trip to Glasgow, Montana, to see how the business he had started with Corey Bales was making out.

Mr. Connelley telephoned from the Chicago Office and stated that Matt Gleason was arraigned before the United States Commissioner charged with harboring on February 6 and 7, 1935 Volney Davis. He pleaded not guilty, his bond was set at \$2,000 and the hearing was set for February 21, 1935. Mr. Connelley stated that they have an understanding with Gleason that after he has made bond, he is going to try to locate Volney Davis for us; that this understanding has nothing to do with the above charge, and Gleason has been informed that we have nothing to do with the jail sentence which might be imposed in the above case, and regardless of what he might do for us, he will have to serve that sentence.

With reference to the machine gun recovered in Chicago from the apartment of Doc Barker, Mr. Connelley stated that the number of this gun is 7679. Mr. Connelley stated that he received a wire from the New York Office to the effect that this gun was shipped on May 22, 1933 to the City of South St. Paul, Minnesota. I told him that the Bureau had received a teletype message from [redacted] to this effect this afternoon, stating that there is a notation in the police records to the effect that this gun was stolen from Officer York in connection with a bank robbery. Mr. Connelley stated that this instance was during the robbery of the Stockyards National Bank in South St. Paul. Mr. Connelley wanted to know what should be done about this gun. I told him that while this gun may have some evidentiary value, this fact has not been definitely ascertained; that if we make known the identity of the gun, the officials of the South St. Paul Police Department will present us with a legitimate claim to the gun. I instructed him, therefore, that the gun should be held just as it is for the time being, at least until something could be definitely ascertained with reference to it.

February 15, 1935

Case: Alvin Karpis with aliases, I.O. 1218; Dr. Number: 7-576-4352
Joseph P. Moran with aliases, I.O. 1232, et al;
Edward George Bremer - Victim, Kidnapping.

Specimens: One registration card dated 1-29-35 from the Colonial Hotel,
Kansas City, Missouri, showing the registration of one "E. Stewart".
One photograph of Earl Stuchlick, #13403, PD, Kansas City, Mo.

Examination requested by: Kansas City Bureau Office

Date received: February 8, 1935

Examination requested: Handwriting

Result of examination:

Examination by: Appel

The signature "Earl Stuchlick" has been compared with the registration
"E. Stewart" and it appears probable that this registration was written by
Stuchlick. There are, however, only a few letters in the two names which may
be compared from which only a few characteristics which are habitual may
be ascertained. If specimens of the manner in which Earl Stuchlick will write
the words "E. Stewart" and "Topeka" are forwarded, a more conclusive determina-
tion might be made.

In accordance with the request, copies of the photographs are being
transmitted with copies of this report to the Chicago, St. Paul, Oklahoma
City, and Kansas City Bureau Offices.

REPORT MADE AT:	DATE WHEN MADE:	PERIOD FOR WHICH MADE:	REPORT MADE BY:

TITLE: ALVIN KARPIS, with aliases, I.O. #1218. ARTHUR R. BARKER, with aliases, I.O. #1219. RUSSELL GIBSON, with aliases, I.O. #1213. DR. JOSEPH P. MORAN, with aliases, I.O. #1232, et al.			CHARACTER OF CASE: KIDNAPING

SYNOPSIS OF FACTS:

Mr. Paul S. Bartlett uncovers the account of Mrs. Clara Brown as the purchaser of the glasses. Dr. G. N. Hosford prescribed the glasses for both Mrs. Clara Brown, and daughter, Mrs. B. Murphy. Mr. Walgren identifies Mrs. Clara Brown as Mrs. Kate Barker. Mr. Atwell of the William Taylor Hotel states records of the hotel do not reflect that Mrs. Clara Brown or Mrs. B. Murphy had resided there. Review of the file by Agent indicates that Mrs. Clara Brown answers the description of Mrs. Kate Barker, and the description of Mrs. B. Murphy, as given by opticians of the Jenkel - Davidson Optical Company, answers the description of Pauline King, alias Pauline Bentz. Mrs. G. M. Vosberg and Mrs. F. E. Gordon, apparently Kate Barker, stopped at Whitcomb Hotel 9/4-8/34.

DETAILS:

Agent contacted Mr. Paul S. Bartlett, of the Jenkel - Davidson Optical Company, at 225 Medico-Dental Building, 490 Post Street, San Francisco, California, who examined the records of that office, and under account No. 4532 discovered that the glasses found by Division Agents at the house at Oklawaha, Florida, occupied by Fred and Kate Barker, were prescribed

for Mrs. Clara Brown, who gave her residence at that time as being the William Taylor Hotel, San Francisco.

On August 7, 1934 Mrs. Clara Brown, together with her daughter, appeared with the prescription from Dr. G. N. Hosford, Medico-Dental Building, San Francisco. The glasses were fitted, and delivered by Mr. Walgren at the Medico-Dental Building.

On August 9, 1934 the daughter appeared as Mrs. B. Murphy, with a prescription from Dr. Hosford for glasses for herself.

Mrs. Clara Brown was described as a short, stout woman, quiet, and unassuming, and approximately sixty years old. Mrs. B. Murphy, the daughter, appeared to be forty or forty-five years old, slightly taller than her mother.

Mr. Bartlett states the glasses correspond exactly with the prescription in the account, in addition to having the identical dimensions for the frame, bridge, and bifocals. Such glasses were made for a person who would be apt to wear them at all times, and the prescription indicates the wearer to be over fifty-two years old. The glasses were delivered August 11, 1934 for \$23.57, for which the account was paid in cash. Prescriptions of glasses for both women were obtained, and are being forwarded to the Chicago office with copies of this report.

Agent interviewed Dr. G. N. Hosford, 1242 Medico-Dental Building, who stated that Mrs. Clara Brown, and her daughter, Mrs. B. Murphy, appeared August 7, 1934, stating that they were from Los Angeles, at present staying at the William Taylor Hotel. The glasses were prescribed for Mrs. Brown, and on August 9, 1934 glasses were prescribed for Mrs. Murphy. Dr. Hosford states that the glasses prescribed for Mrs. Murphy are the type of glasses that would ordinarily be worn for close work only. Dr. Hosford also states that both women were dressed very gaudy, with flowered dresses, and many diamonds. He states that the age of Mrs. Brown was fifty-nine, and the age of Mrs. Murphy to be forty-five or fifty, and Mrs. Murphy to be approximately 5'8", and weight one hundred and forty pounds. Both women asked for the best glasses that could be bought, and neither would state who had referred them to him. Both women called again on August 16 for a re-check of the glasses.

The following is a summary of the order in which the two women appeared at the office of Dr. Hosford:

Both appeared at 4 p.m., on the 7th of August, 1934.

Mrs. Murphy alone appeared 3 p.m., on the 9th of August, 1934.

Both women then re-appeared at 11 a.m., on the 16th of August, 1934, and the account was settled for in cash at this time.

Dr. Hosford stated that he could not identify either woman by photographs presented by the Agent. He also stated that both women, especially Mrs. Murphy, spoke with a decided southern accent.

Mr. Walgren, of the Jenkel - Davidson Optical Company, 525 Butler Building, San Francisco, corroborates the description of the two women given by Dr. Hosford, and upon examining the photographs of various persons in the case, Kate Barker was at once pointed out as the individual who purchased the glasses. He could not point out a photograph of Mrs. Murphy from those exhibited by the Agent. He states that on the day he delivered the glasses (August 11, 1934), both women were anxious to get the glasses as soon as possible, in order to catch a certain ferry over to Oakland.

Upon reviewing the files of the case, Pauline King, alias Pauline Bentz, a sister of the Bentz brothers, appears to be the only person answering the description of Mrs. B. Murphy, as given by Dr. Hosford, Mr. Walgren, and Mr. Johnson of the Jenkel - Davidson Company.

Agent contacted Mr. Atwell, Assistant Manager of the William Taylor Hotel, in San Francisco, who examined the records of said hotel, which reflect that no one by either of the two names had ever registered there. Descriptions of both women were given to Mr. Atwell, and several employees at the hotel, all of whom failed to identify them.

The glasses and wiper are being returned under separate cover to the Chicago office.

Since dictation and transcription of the above, this office is in receipt of the report of Special Agent James G. Findlay, Los Angeles, California, dated 2/4/35, which indicates that Mrs. Goldie Vosberg, apparently accompanied Mrs. Kate Barker in her visit to San Francisco, in the fall of 1934. Investigation was conducted at the Whitcomb Hotel, which reflected that a Mrs. F. E. Gordon, and Mrs. G. M. Vosberg, giving addresses respectively of Reno, Nevada, and 2357 Magnolia Avenue, Long Beach, California, registered together at 8:55 a.m., September 4, 1934, having occupied room 543, checking out on September 8, 1934.

Mr. T. W. Silk, Assistant Manager, Whitcomb Hotel, advises that no local or long distance calls were made from the hotel by these persons. Employees of the hotel were unable to identify photographs of Mrs. Barker as Mrs. F. E. Gordon, although it would appear from the information contained in the report of Special Agent Findlay that Mrs. F. E. Gordon was undoubtedly Mrs. Kate Barker. However, it should be noted that the visit of Kate Barker to San Francisco, in connection with the purchase of the glasses, was in August, rather than September, and it is believed that further interview should be conducted with Mrs. Vosberg, with a view to ascertaining whether she was, in fact, with Mrs. Barker, in August, when Mrs. Barker purchased the glasses.

UNDEVELOPED LEAD:

LOS ANGELES OFFICE: It is requested that the Los Angeles Office again contact Mrs. Goldie Vosberg, ascertaining whether she accompanied Mrs. Kate Barker to San Francisco, California, in August, 1934.

Enclosed find photostatic copy of application made by Volney Davis, under the alias George Lawrence Harper, to "The Get Acquainted Correspondence Club", Box 1251, Denver, Colorado. There is also enclosed a photostatic copy of a letter written by the Subject under date of January 14, 1934, which apparently should be January 14, 1935, as in the original application for membership the date is given as January 14, 1935. Also, there is enclosed a photostatic copy of the lists of ladies' names forwarded to Volney Davis by "The Get Acquainted Correspondence Club".

It is known that Davis has communicated with Mrs. Esther A. Williams, 119 North Topping, Kansas City, Missouri, whose name appears on the attached list dated November 1, 1934.

It is therefore respectfully requested that an immediate investigation be conducted, and all the ladies who reside within your district be interviewed, in an effort to determine if this subject is corresponding with them, and as a possible means of ascertaining his present whereabouts.

A copy of this letter and the enclosures are being mailed to all offices. Nevertheless, there are no leads to the El Paso and Salt Lake City offices, but the same are being mailed to them for information only.
